ELECTION WAS FORECAST BY THE PRIMARIES

Ralph R. Byrnes, After 20 Years In Office, Was Defeated

CAMPAIGN WAS SPIRITED

Biggar, Burke, Reynolds Have Comfortable Majorities

The colorful career of R. R. Byrnes, who for 20 years has been sheriff of Mendocino county, ended Tuesday when the electors by their votes decreed E. L. Williams, veteran supervisor and acknowledged generally, to be one of the best men in Mendocino county, should take up the duties so long performed by Mr. Byrnes.

A Real Contest

Sheriff Byrnes did not go down to defeat without a battle royal. No contest in recent years has held the center of the stage in Mendocino county as did the struggle for the office of sheriff. All other issues on the ballot were overlooked. Every newspaper in Mendocino, except The Republican Press, lined up behind the cause of Sheriff Byrnes and the friends of the defeated official saw to it the campaign was liberally financed; the mails were flooded with letters, some of a questionable kind; women made addresses for Sheriff Byrnes at various towns and the full strength of the opposition was exerted. However, Mr. Williams won by the apparently established figure of 168 votes.

One Regrettable Instance

While considerable bitterness was injected into the fight toward the last, all could have been forgiven but the unwarranted attack on the character of Judge D. R. Ward, of Hopland. So serious was this offense, it is understood, the matter will be taken into court.

The Apparent Result

All of the precincts in the county, with the exception of Bear Harbor, have been heard from. In that precinct, it is understood, eight votes were registered. Five of these were for Sheriff Byrnes and 3 for Mr. Williams. This according to the tabulation of The Press, will give Mr. Williams a majority of 168. Clerk H. M. Burke stated yesterday there were 54 absentee voters' ballots to be counted. They will not be opened until the supervisors canvass the returns today.

In the assembly fight, Biggar has won over Henderson. The vote in Lake county went 2147 for Henderson and 913 for Biggar. The Mendocino county vote went 2932 for Henderson and 5009 for Biggar. Mr. Biggar thus has 5922, and Mr. Henderson 5079, leaving a majority favoring Mr. Biggar of 843.

In the assessor fight, Reynolds received 4292 to Whited's 3736, a majority of 556.

Burke was reelected county clerk by a majority of 967, receiving 4531 to Broaddus' 3564.

For governor Rolph received 6524 to 1486 for Young.

For Lieutenant governor Merriam received 5134 to 2271 for Welsh. Young ran dry and Welsh wet. Merriam, dry, ran 1390 behind his ticket in this county. On the other hand Welsh, wet, ran 785 ahead of his.

A tabulation of the returns by precints appears elsewhere in this issue.

On The Southcoast.

According to The Mendocino Beacon E. L. Williams carried Fort Bragg by 386, Willits and Little Lake valley by 40, Hopland by over 200 and Ukiah by 7. Byrnes carried every precinct south of Caspar on the coast. Mendocino gave him a majority of 195, Potter Valley rolled up a fine vote for him, and generally the small precincts stood by him in great shape. Round Valley gave him a majority but this was reduced to about 20 by the vote on the Indian reservation where a big vote was polled against him. Wendling and Philo gave him a nice vote while Boonville went for Williams by a small margin.

Press Want Ads
Always Deliver

Bayard Shields had a stove he wished to dispose of last week and, naturally, inserted a classified advertisement in The Republican Press. The first time the ad appeared a party closed a deal for the stove. It is ever thus with classified advertisers in The Republican Press, as everyone in this section reads The Press regularly.

"PROPAGANDA" WAS FORCIBLE

Bridge Foe Would Use Fists In Defeating The Span

First "blood" has been drawn in the war over the Golden Gate bridge bonds, and the "honors are even," according to reports from Cloverdale last week, which was the battle front for the first fistic encounter. The principals in the engagement, which lasted less than a round, were Attorney Caspar Ornbaun, perennial opponent of the Golden Gate bridge, and Bruce H. Wells, publisher of The Cloverdale Reveille.

A 50-50 Break.

Editor Wells, who is about half the size of Mr. Ornbaun, claims no casualties to himself and none inflicted on Mr. Ornbaun. The attorney, while visiting in Healdsburg, exhibited a black-and-blue knuckle as proof of a blow that landed—somewhere. But, according to witnesses, the affray was largely one of swings that missed. No one knows who made the first gesture, not even the principals, they say.

Cause Is Agreed On.

However, both participants are in accord as to the cause of the argument that precipitated the "battle." Mr. Ornbun had some "publicity" adverse to the bridge issue he wanted Editor Wells to print in his paper, which has been a strong supporter of the bonds. Mr. Wells declined to accept what he termed as "argument and propaganda" except as paid advertising, and told Attorney Ornbaun if he did place the ad with The Reveille the money would be donated to the Chamber of Commerce.

He Was "Biased."

Mr. Ornbaun admits he accused Mr. Wells of bias, but from that point on the accounts differ.

Threats Alleged.

According to Editor Wells, the bridge opponent was abusive and threatening. According to Attorney Ornbaun, Editor Wells had unkind things to say. At any rate, agreeing to disagree, the principals adjourned to the front door of the newspaper office and then to the sidewalk, where hostilities were resumed.

The Worst Is Yet To Come.

Repercussions of the battle in the Cloverdale region are expected, whether or not the bridge bonds passed in Tuesday's elections, since Mr. Ornbaun, although practicing law in San Francisco, is a member of a widely-spread family of northern Sonoma and southern Mendocino counties, and Editor Wells also has a considerable following in that section.

Two Women Injured In An Auto Accident

Wednesday afternoon, a short distance north of Laytonville on the Redwood Highway, Mrs. E. C. Johnstone, 74 years old, and her daughter, Miss Margaret I. Johnstone, of Alameda, suffered injuries in the wreck of their automobile which will confine them to the Howard Memorial Hospital in Willits for some time. The ladies were traveling north and failed to negotiate a turn in the highway, their car leaving the road and crashing into a tree with such force it was demolished.

Local Dairyman Is Attending Meeting

L. J. Romer, owner of the Romer Vista Stock Farm where the best purebred Jersey sock in the state is raised, left Friday morning for Sacramento where he attended a meeting of the executive committee of the California Dairy Council. Mr. Romer also planned to attend an executive board meeting of the state Jersey Breeders Association and will visit his former home at Florin in the Sacramento valley while away.

KILLED 17 COYOTES

To kill 17 coyotes in one month all of which showed, by an examination of stomach contents they had been feeding on deer, is the record of Vic Tuck, of Willits, hunter for the biological survey. The marauders were trapped and poisoned.

"So the People May Know"

In the election which has just ended the owner of this newspaper was the object of many unjust attacks. In instances the ones making the accusations did so knowing they were untrue, in other instances parties accepted what was said, without investigating, and repeated them. They were annoying, to be sure, but, insofar as the writer is concerned, they have been forgotten and forgiven. We could not all win and, while we rejoice in the satisfaction our friends have been successful, on the other hand, it is to be hoped those who suffered defeat may fare well along other lines.

A big majority has said the Golden Gate Bridge shall be built and, at this time, this page wishes to assure all who have opposed the bond issue of $35,000,000 for the construction of the bridge that the stand taken by the board of directors of the Golden Gate Bridge and Highway District (of which body the undersigned is a director) before election, will not be varied from.

Not one promise made will be side-stepped.

If the contract cannot be let for a sum less than the bond issue, no contract will be let.

There will be no more tax levies.

The public will be kept advised of every detail connected with the great undertaking as it advances.

What was stated in The Press and in the advertisements in other newspapers, which told of the plans for the bridge, the methods of financing and the problems along all the lines the huge undertaking will be forced to proceed are today the same as they were before the fight was made.

No untrue statement was employed by any member of the board.

No deception was attempted. None will be resorted to. The writer knows faith will be kept with the taxpayers and that when the bridge shall have been built the wisdom of the advocates of the span will have been proven.

As one of the board of directors the writer is grateful for support, although we lost heavily in Mendocino county, where the whole matter was misunderstood.

The greatest bridge in the world will soon be under way. May we not all get behind it and let the unconvinced restrain their lack of faith until the opportunity to make good has been allowed the directors?

TURKEY SHOOTS HAVE STARTED

Local Nimrods Are To Enjoy Contests At Pitner Hill

Beginning Sunday, the Ukiah Associated Sportsmen are conducting a turkey shoot at the grounds on the Redwood Highway at Pitner hill. The local organization, formerly known as the Ukiah Rod and Gun Club, has erected a new shed on the premises and will continue the turkey shoot each Sunday until after the holidays. The funds derived from the shoot will be used to purchase Hungarian partridges with which to stock the Ukiah valley, according to George Merk, member of the club.

YOUTHFUL BAD ACTOR CURBED

Little Fellow Whose Desire Was To Be A Wrecker Held

As a result of an attempt to wreck the passenger train of the Northwestern Pacific Railroad several months ago Louis Locatella, 15-year-old local boy was committed to the Sonoma state home for the feeble-minded at Eldridge last week. The lad, who had never gone beyond the third grade in school, made himself a general nuisance around the depot and the attempt which came near ending in disaster for passengers and the railroad company, was not his first offense. The hearing was held before Judge H. L. Preston with Dr. R. O. Le Baron and Dr. J. H. Hansen testifying in the case.

Misfortune Follows A Deserving Woman

Friends here and at Cloverdale of Mrs. Elsie Willoughby, widow of Arthur Willoughby, former newspaperman of Sonoma county, will learn with much regret Mrs. Willoughby must submit to an operation for amputation of one leg as a result of infection following an automobile accident. At the time of his death Mr. Willoughby was editor of The Nevada City Nugget. Mrs. Willoughby and her two sons have visited here at the J. C. Hurley home.

WOOD NEEDED

Those having wood for sale may obtain a nice contract by consulting A. R. Thomas, who is in the market for the supply of fuel for the winter season for the local postoffice.

W. F. WHITNEY WAS SELECTED

Prominent Willits Man Named On The State Committee

Recently W. F. Whitney, of Willits, was honored by being selected as a member of the Republican Congressional Committee for the First District. On the committee with Mr. Whitney are prominent leaders of the party throughout the district. Judge Whitney accepted the post and has been serving with the other members.

Is A Merited Recognition.

Judge Whitney's selection was one which is approved by all Republicans in this section. The Willits man is a worker in the ranks at all times; he is popular and his influence within and without the party is ever felt.

High School Student Victim Of Accident

Kenneth Schultz, student at the Ukiah high school, lost the tips of two fingers during the seventh period of school Thursday afternoon when he caught them in a power planing machine. According to report it is said to be against the rules of the manual training department of the school to turn on power machinery at that period. The injury will not result in a bad disfigurement as the bones of the fingers were not injured.

Business Suspended Here—Is A Holiday

Schools were closed here yesterday and general business was suspended for the twelfth observance of Armistice Day. A large number of out-of-town folk and many local residents attended the dedication and open house at the War Veterans' Memorial Building in this city which was staged by Lewis White Post of the American Legion and the Auxiliary to the Legion. In the evening the elementary school auditorium was taxed to capacity for the Armistice Day Ball for which music was provided by Curry's All-Star dance orchestra.

VISITED IN SOUTH

Word from Healdsburg last week was to the effect Mr. and Mrs. Albert Evahn, former local residents, have recently returned to their Healdsburg home following a visit at Los Angeles with Dr. Herbert Winkler, son of Mrs. Evahn, and his family.

BIG INDUSTRY LOOMING FOR PEA GROWERS

A Southern Corporation Apparently Means To Develop

PAYS RENT IN ADVANCE

Plans Would Indicate Prosperous Business May Be Result

That the San Diego Fruit and Produce Company mean business was evidenced when leases were received by Charles Weller, of Fort Bragg, for the respective land owners to execute, and accompanying each lease was a check for six months' rent made out to the farmer.

To Raise Peas.

This southern California company plans to test out the growing of peas for the eastern market in the coast section and to that end is leasing between 300 and 400 acres of land principally in the section from Ten Mile to Westport.

Will Make Certain.

They propose carrying on the work with this acreage themselves this first year so none but tested methods will be used. They are bringing in their own equipment, including tractors and other farm machinery and will begin work very soon now. The peas when harvested next June and July they propose to ship in carload lots to the eastern market. Following this initial venture it is expected a number of coast farmers will embark in the business if it turns out satisfactorily.

A DECISION IS POINTING WAY

Opinion Of Judge H. L. Preston Favorable To Lakeport Case

MAY MEAN MUCH

It is generally accepted in legal circles the decision of Judge H. L. Preston in the case reported below will have much to do with favorably determining the result in the litigation now pending and which was started by Mrs. Edna Squires, whose husband was killed while a "guest rider" in Lake county some two years ago.

Findings of Superior Judge H. L. Preston, of this city, in a test case covering the "auto guest" law, in which he held the law is constitutional but that its terms are not retroactive, have been upheld by the state supreme court. The Mendocino county jurist's opinion has been adopted by the highest tribunal as its own. Judge Preston made the ruling in a $35,000 suit involving the guest law, which was assigned to him with instructions to pass on the constitutionality of the statute, enacted by the last legislature.

Old And New Law Differs.

Under his opinion, all automobile accidents which happened prior to August 14, 1929, when the act was adopted, come under the old statute under which it was only necessary to show negligence to hold a motorist liable for injury or death of a guest in an auto accident. All other automobile accidents involving death or injury of a passenger in a car come under the new act, which requires proof of gross negligence, intoxication or wilful misconduct for collection of damages from the vehicle owner or driver. The new act is amendatory to the old statute, according to Judge Preston's opinion. The right of a guest to sue or, in case of his death, the right of his heirs or personal representative to sue, is not destroyed by the new section, the only difference being that the degree of proof required in a guest law case is greater under the new act which went into effect August 14, 1929.

EDUCATOR IS ILL

Paul Beaufort, member of the faculty of the Ukiah high school, submitted to an operation for appendicitis Thursday evening following a short illness. The condition of Mr. Beaufort is said to be satisfactory.

Press Want Ads
Score Once More

P. H. Joseph is a believer in the efficiency of Republican Press Classified Ads and uses them frequently. Last week Mr. Joseph inserted a small advertisement in the classified columns of The Press and sold a radio and two Radiolas as a direct result thereof. Advertising in The Republican Press rarely fails to get quick, satisfactory results, because everyone in this section reads The Republican Press.

AGED MAN HAS DROPPED OUT OF COMMUNITY

Strange Circumstances Surround Flight Of War Veteran

UTTERLY DISAPPEARED

David Goldthwaite's Friends Fear That He Is Dead

David Goldthwaite, well known aged resident of the East Mendocino section, disappeared from the home of E. D. Woodworth Sunday and no trace of him has been found since, although Constable Putton, with a number of the neighbors and the Boy Scouts, has combed the neighboring woods for the old man.

Cannot Be Located.

It was thought Mr. Goldthwaite might have gotten out to the road and been picked up by a motorist and some distance. Sheriff R. R. Byrnes has communicated with officers all the way from Sausalito to Eureka to be on the lookout but so far no report of him has come from that source, although there was a rumor earlier in the week he had been seen near Willits but this proved erroneous.

Had Become Irresponsible.

The old man was very deaf and very childish, and Mr. Woodworth not long ago was appointed his guardian. Mr. Woodworth was called to the city suddenly last week by the serious illness of his wife. Before going he secured Mrs. Bates of Caspar to care for Mr. Goldthwaite during his absence. The old man slipped out of the house during the temporary absence of his caretaker and not the slightest trace of him has been discovered since.

Has Money To Live On.

Mr. Goldthwaite came here from the San Ramon valley about 16 years ago and purchased a small place in East Mendocino. He was a veteran of the Civil War and over 80 years of age. He received a pension and had ample means for his needs. He has no known relatives.

Wife's Allegations Denied In A Reply

In an answer and cross-complaint to his wife's suit for divorce Terry Dell Beebe Thursday filed a denial of Anna S. M. Beebe's charges of cruelty and neglect and made counter charges of cruelty and misconduct with another man, according to records at Santa Rosa where the case is being tried, the action being recently transferred to the Sonoma superior court from Mendocino county by efforts of Mr. Beebe's council.

Dismisses Application To Sell Truck Route

BRIDGE VOTES COUNTED AND RETURN MADE

Golden Gate Directors This Week Canvassing Ballots

WORK STARTS ON FEB. 1

All Difficulties Have Been Overcome, Officials State

A meeting of the board of directors of the Golden Gate Bridge and Highway district will be held in the city hall, San Francisco, today. A. R. O'Brien went to San Francisco Monday where as a member of the auditing committee, he assisted in checking bills, which have been hanging fire some time, together with the bills incurred for conducting the election last week.

To Count Ballots

The Bridge Act provides the board of directors of the Golden Gate Bridge and Highway district shall also serve as a canvassing board and it, accordingly, fell upon the directors to count the votes and make the returns to the secretary of state. Just as soon as the preliminary details necessary to clear up the election results have been taken care of, the $35,000,000 bonds will be placed on the market. It is the plan of the directors to sell only such amounts of bonds as are necessary to take care of the expenses as the work progresses. There will be no trouble in disposing of the issue, as many big bond houses have signified their willingness to handle the bonds.

Work In February

The hope of the directors is everything will be in readiness for actual construction on the bridge to be started in February. So careful have been the details up to the present time handled, it is safe to say it will not be necessary to hold back the commencement of actual construction to correct minor matters. The directors have employed the most famous bridge builders in the world. Allan MacDonald, general manager of the Golden Gate Bridge, is one of California's most successful contractors and an authority thoroughly capable of handling the gigantic problem. All of the various officials under the employ of the board were selected with the sole idea of fitness and can be relied upon to fully discharge their duties to the satisfaction of the public.

A Real Genius

President Wm. P. Filmer has guided the directors through the annoying preliminaries with exceptional tactful skill. He has given unstintedly of his valuable time and, probably more than any other one man on the directorate, has been helpful in avoiding shoals and keeping out of the entanglements the ferry trust worked over-time to create.

A High-Class Officer.

W. W. Felt, secretary of the board, through a quarter of a century experience in such matters, conducted the intricate details of the district bond election and, when it is recalled the bond election, because of the divided district here in Mendocino county and Napa, produced complications never in the past encountered in California, and that not one mistake was made in the whole set up, it can truthfully be said Mr. Felt's work was of a very high order.

Had Much to Do

George H. Harlan as attorney for the board of directors has been called upon to defend the bridge act against the combined efforts of a battery of attorneys employed by the ferry trust. Single-handed Attorney Harlan has had to appear in superior courts of the district, before the state legislature, the supreme court of the United States, the departments at Washington and in our own highest tribunal and, in every instance, through Mr. Harlan's intelligent handling of the interests of the board of directors, the cause of the bridge adocates has prevailed.

Publicity Man a Jewel

Stuart Dunbar, old time metropolitan newspaperman handled the publicity and it was in no small part due to Mr. Dunbar the voters were so well advised of the real merits of the bridge.

Ferry Traffic Grows.

Notwithstanding the more or less naturaleness of restricted traffic movement coincident with the slowing up of general business, Southern Pacific Golden Gate Ferries continued to show consistent increases in vehicular traffic on practically all routes on the bay. From January to the end of October the Southern Pacific Golden Gate system carried a total of 5,142,476 vehicles, as compared with 4,881,552 in the 1929 period, an increase of 260,954 vehicles, or 5.35 per cent. The most important gains

ARMISTICE HYMN

(By Walter H. Brundy, Oakland)

We glory not in deeds of war
Our triumph—not in blood!
'Tis not to vaunt a conquest gained
We raise our hearts to God.
The hallowed memories recall
The noble martyrs gone,
Who shed their blood, who gave their lives.
For peace and victory won.

With reverent hearts, our praise ascends
To Him—Our Prince of Peace.
Through Him alone can victory come
And strife and turmoil cease.
We dare not trust the arm of flesh,
On Him alone rely
To bring eternal armistice,
With peace and liberty.

What price of war! How great the cost!
When man gainst man is turned,
In hatred dire, to win a cause
Alas, so dearly earned!
And may He haste that wondrous day
When war no more shall be;
When all mankind shall own His name
And be forever free.

"BOOTLEGGERS"

DURING the recent campaign a small coterie of men and women busied themselves by running headlessly about the county asserting everyone who was not supporting R. R. Byrnes were bootleggers. This reminds this page of the bedbug story John Stewart Mills used to tell, which ran:

"A colony of bedbugs took up their abode in a choice bed chamber of a hotel where the landlord always saw his distinguished guests were quartered. It was an industrious colony of bedbugs, and they took their toll of blood from every guest and got away with it, until one night a different sort of fellow occupied the room. The bugs started in early on him, as usual, in order to get in a full shift, but this guest knew his rights and was going to maintain them. When he found what was going on he got up and with his slippers started warfare on the bloodsuckers. He slayed right and left and the bedbugs scurried to places of safety. When it was clear to the bedbugs they could not feed on that guest, they withdrew to a quiet place and passed a resolution and called their intended victim a bootlegger."

A TERRIFIC TOLL

SINCE 1920 and under prohibition, deaths from alcohol in the United States have increased 300 per cent, according to Dr. Henry J. Hoffman, statistician of the Prudential Life Insurance Company, observes The San Francisco Examiner.

It is particularly unpleasant to read that deaths from alcohol have increased among women especially. And it is surprising to read that in the United States, under prohibition, deaths caused by alcohol are more than 1,000 per cent more numerous than in a majority of the civilized countries. No civilized country has more than 10 per cent of our deaths from that cause.

What is the matter with us?

LET'S GO

PROSPERITY is up for election, running to overthrow depression.

It's for the people to decide which will be chosen. Every man and every woman is privileged to ballot—every day.

Depression has no rightful place with 120,000,000 people, exchanging goods and services—capable—accustomed and willing to work — more highly skilled than other peoples—leaders in efficiency and progressiveness—backed by the vast natural resources of the United States. When we make it possible for the man who works to have a job we make it possible for him to buy food for his family and so help all business, including that of the farmer.

The rest of the world is of small importance compared with that free market of 120,000,000 people — of like tastes, habits and aspirations—living under the same laws—free of trade barriers. Foreign trade may be troubled by tariffs and revolutions, but at their peak our exports represented only five and a half billion of dollars of gross business in a year out of a total American income of $90,000,000,000.

Stagnation of circulation is what's the matter with agriculture and with business. Everyone can help to get that circulation moving again.

Government can't make prosperity—alone. Bankers and other business leaders can't make prosperity—alone. It's the people, united in opinion and purpose and courage, who determine prosperity. They can bring it back—none other.

Ballots that will be validly counted for prosperity are of many kinds. Some one of them every man and woman can cast. For example:

Help a deserving man or woman get a little paying work—or, better, a regular job.

Spend wisely and not too timidly, and anticipate scheduled expenditures as far as is practicable.

Turn the deaf ear to false, mischievous rumors; and don't repeat them, if you do hear them.

Be willing to pay a fair price. Don't take advantage of the other man's necessity. Recognize he has as good claim to a fair profit as you.

When a vampire that fattens on the miseries of others shows up, help to make him unpopular.

Discourage calamity howlers.

Keep business moving evenly, and remember that, to the average man, his job is his particular business. When possible, reassure him against his fear of losing it.

Save, but save wisely, not in fright. Invest for the profit s[illegible] enterprise pays and for the added profit that will come after the hysteria of pessimism has passed.

Mendocino County Boys Were Winners

A fine showing was made by two Mendocino County 4-H club boys at the recent Junior Livestock and Baby Beef Show held in San Francisco. C. T. Smith, Jr., of Hopland won first on Romney lamb and first on open pen. The success carried with it over $80.00 in premiums. Charlie T. Smith, Jr., and also Gordon Smith sold their lambs for eighteen and fourteen cents per pound respectively. There were six lambs shown by the boys which averaged 110 pounds per lamb. The boys deserve considerable credit as they made a fine showing with their stock. Other boys exhibited hogs and sheep from Willits and Potter Valley and all the stock made a very creditable showing, which speaks well for the efforts of the 4-H club members and their leaders.

MALE CHORUS IS REHEARSING

Big Musical Body Is To Give Minstrel Show In April Next

The Ukiah male chorus met at the grammar school auditorium Monday evening with 110 in attendance for the first of the weekly rehearsals leading up to the production in April of the most spectacular minstrel show performance ever staged here.

Time To Get In.

There is still room for a few more members and anyone desiring to join the organization should see Director Hugh Harvey or any of the directors or members at once. The Ukiah male chorus is a strictly non-profit, non-sectarian organization. There are no dues or assessments and the only requirement of membership is prompt and regular attendance.

The Sole Aim.

This is a remarkable group banded together solely to sing because they love to sing and for the spirit of friendliness and comradeship that is so marked in all of their gatherings.

Directors Had A Dinner.

On Thursday of last week the board of directors met at the Will Davis home on Standley street. Following a delicious dinner provided by Will Davis and Charles Todhunter and capably served by Mrs. Harvey, Mrs. Dutton and Mrs. Davis, the meeting was called to order by Chairman Charles Kasch and plans were formulated for the activities of the coming year.

Plan A Monthly Social.

Adopting the suggestion of Chairman Kasch it was decided to extend the social features. The first meeting of each month will be "Social Evening," and following a short practice a committee of five men and five boys will provide a program and refreshments for the members.

Ever Ready To Serve.

The Ukiah male chorus is always happy to assist in a musical way in any of the activities of the community and there have been few occasions where it has not been represented by either groups or individuals since its organization.

Who Directors Are.

The following comprise the board of directors: Charles Kasch, chairman; Hugh Harvey, director; W. K. Davis, assistant director; Pete Simoncini, secretary; Orval Archer, treasurer; Louis Hofman, Harry Burke, George David, Elmer Purdy, William Davis, Edgar Dutton, Charles Todhunter, Lilburn Gibson, A. G. Ring, Charles Moffitt, William Ford.

HAS RETURNED HOME

Mrs. F. Young has returned to her home at Sacramento with her twin sons who were born here a few weeks ago. Mrs. Young was accompanied on her trip home by her brother-in-law, David Lavletta, who returned here the following day. Mrs. Young was formerly Miss Helen Stewart of this city.

HAS A COLD

Mrs. Leland Lawrence has been confined to her home in West Perkins street several days as the result of a heavy cold.

At the End of the Rainbow — By Hatlo

Election day the following powerful testimonial from the pen of Arthus Brisbane appeared in The San Francisco Examiner and very materially helped in getting the big vote the Golden Gate bridge received in the bridge district:

"Men and women of San Francisco will vote today for one of the most important and magnificent improvements ever undertaken by a great city. The proposed Golden Gate bridge will be not only one of the greatest, but one of the most beautiful engineering achievements in the world, another proof of California's hospitable desire to make visitors welcome, and proof of San Francisco's driving power and determination to achieve. The probable cost, $35,000,000, will be a small price to pay for one of the most useful, magnificent and beautiful structures in the world."

It is with just pride that we present to our patrons this first screen appearance of the truly great Joy-Giver, John McCormack

Across the Years THE VOICE OF ROMANCE Calls Young Hearts to Happiness

Youth pledges itself to youth, and clothes its dream in bridal array. Inspired by the memory of his own blighted romance, a great singer dispels the shadow which falls across their happiness and guides their destiny to a joyous conclusion. A screen romance of young love and gay comedy, mingled with the poetry of song.

A picture you will cherish for its bubbling humor and tender sentiment, its freshness of theme and richness of melody.

Here are the Songs McCormack Sings:

"Then You'll Remember Me", "A Fairy Tale by the Fire", "Just For Today", "I Feel You Near Me", "Kitty My Love", "The Rose of Tralee", "Loughi Sereni I Cari", "Little Boy Blue", "Ireland, Mother Ireland", "I Hear You Calling Me" and "A Pair of Blue Eyes."

Co., of Santa Rosa, will give a talk on safe and unsafe methods of wiring. A representative of the County Farm Bureau will be present and touch on the pear blight menace and a clean-up campaign.

To Tell Of Trip.

Jean and John Kinsler, George Hargreaves and Harley Branson will each give a report on their trip and conferences at the 4-H Club Convention at Davis. There will be also some musical numbers.

Are To Be Hostesses.

The C. S. S. A. will meet Thursday afternoon at the clubhouse. Mrs. H. Gunderson and Mrs. E. Nelson will entertain.

To Meet Friday.

The Sunday school teachers will hold a business meeting at the club house Friday evening, November 7.

George Hargreaves Won.

The pig contest of the 4-H Club has been ended. The contest was close. George Hargreaves was credited with his pig making the greatest gain, which was 168 pounds; Marvin Ford's pig gained 166 pounds and Carey Hargreave's pig reached a gain of 156 pounds. Robert Cunningham, John Banks and Vaughn Savage, contest members, also had creditable pigs.

Visited Ailing Aunt.

Mr. and Mrs. Fred De Carli and Miss Josephine and George motored to Martinez Saturday to visit an aunt of Mr. De Carli who recently fell from her wheel chair and sustained a broken leg. The De Carlis continued their trip to Lodi for a brief visit with another aunt and returned in time to vote.

Mrs. C. Smith returned Monday from an extended visit with friends and relatives in Healdsburg and Berkeley.

Lost On Deal.

Mrs. J. H. Belveal had an unfortunate experience recently when a Santa Rosa man who said he represented Wigley & Son, poultry dealers, called at Mrs. Belveal's home one evening and persuaded her, after considerable hesitancy, to sell 200 of her best hens. Mr. Wigley's representative gave her a personal check for payment in full on a Petaluma bank. Upon depositing the check at the bank she found a few days later it could not be accepted as there were no funds. Legal proceedings have been taken and a warrant has been issued for the man's arrest. If he can be apprehended, he is guilty of a penitentiary offense. It is hoped Mrs. Belveal will be successful in receiving the full amount due her. It behooves one to be always on the alert in business dealings with strangers and not to accept personal checks without certification.

P. T. A. Begins Fall Meetings.

Mrs. J. Branson, president, presided at the P. T. A. meeting Friday evening. Mrs. O. Huber acted as secretary in the absence of Mrs. E. Nelson, who has been ill the past week. Press Want Ads Work Two Ways In One Instance Recently

A Republican Press classified ad did triple duty last week when R. M. Wray, seeking to sell a cabinet phonograph, not only got quick results and a substantial check for his 25 cent want ad, but also sold his neighbor's and is now looking for one for a belated customer who answered the Wray ad too late to secure the coveted phonograph.

What Took Place.

It all happened when the classified ad, answered immediately, sold the phonograph, and the second customer, driving to the Wray home in a truck to secure the same, wore such a disappointed look when told the article was sold Mrs. Wray went to the home of Mrs. H. E. Davis nearby and succeeded in selling the Davis phonograph, which was an unwanted article after the radio made its appearance.

You Try It.

Maybe you, too, have an unwanted phonograph or victrola that is only in the way. Try a Republican Press classified ad.

REAL ESTATE STARTS MOVING

Three Large Size Deals About Willits Were Reported Lately

Real estate moved in a lively fashion last week at Willits when three sales of considerable magnitude were reported. In the first instance the site of the former milltown of Irmulco, together with 3000 acres of adjoining land, was sold by the Irvine & Muir Company to James L. Roberson, mayor of Willits, for $12,500. The land lies along the Noyo river and Redwood creek and is well adapted to stock raising. Most of the buildings of the old town have been burned but several still stand and will be converted into ranch buildings. In exchange the company takes over the town property of Mr. Roberson, which includes a dwelling and 17 town lots.

Another Large Deal.

The second sale reported by the same company was made to three Los Angeles men and includes 1120 acres west of Willits which was formerly the Melville shingle mill on the headwaters of the Noyo river.

Still Another Transaction.

The third deal in real estate was closed when Mrs. Cora Hearst sold 173 acres southwest of Willits to Mr. and Mrs. Charles Fordice, of Los Angeles, who plan to build a home and reside on the place in about two years when Mr. Fordice will retire from the police force of the southern metropolis.

LOVELY FLOWERS FEATURE CLUB DINNER MEETING

The Ukiah Business and Professional Women's banquet which was held in the Canton room of the Palace Hotel last Thursday evening, was for such a small party, a very brilliant social function. This club provides its own experts in almost any line of work included in the scope of its affairs. Mrs. Ellen A. Hunt, local florist furnished the flowers and, assisted by Mrs. Ruth Manklus, planned and placed the decorations which in point of natural beauty and artistic arrangement were as near perfection as may be. The tables, laid for twenty diners, were set in the form of a hollow square. This inside space was occupied by a tall basket filled with massive long-stemmed Turner chrysanthemums in the charming colors of lavender and white. Streamers of lovender and silver ribbon extended from the handle of the basket to the four corners of the inner square where lighted lavender candles glowed in gleaming silver candlesticks. The tables were further adorned with garlands of smaller chrysanthemums in the same lovely shades. The favors were beautiful corsages of lavender and white chrysanthemums and maiden hair fern tied with lavender and silver ribbon.

On the elaborate menu was listed such seasonal American dishes as roast turkey, cranberry sauce, hot mince pie, and the other usual accompaniments to such a feast.

In the absence of Mrs. Marie Hinton Rea, Mrs. Katherine Foster presided in such a genial manner that she inspired a feeling of comradeship that manifested itself in a spirited and general conversation around the festal board.

The main speaker of the evening being unavoidably absent, an interesting impromptu program was rendered. Mrs. Emmy Walters sang several songs in German while Mrs. Foster kept the company entertained with the amusing stories she told. An especially interesting feature of the program was Miss Florence Bull's realistic descriptions of her experiences and impressions on the occasion of her recent trip to the Hawaiian Islands. The next meeting will be held on the third Thursday of this

Miss Luverne Kistler, of Redwood Valley, was a business visitor in town Friday for a few hours.

C. B. Hiatt, postmaster at Yorkville, and one of the best known citizens of the Anderson Valley section, was a Saturday afternoon caller in Ukiah.

JUVENILE BOOK WEEK IS HERE

(By MARIE HINTON REA)

Children's Book Week will be observed throughout the United States November 16 to 22. The observance should be of particular interest to Parent-Teachers' Associations and parents in general. A famous lecturer, speaking recently before a body of representative club women stated if ever birth control became possible she hoped the government would begin with books. So many books of no literary value but of tremendous import to immature minds, are placed within the reach of childish hands because there is no law governing their uselessness. What is excellent is permanent and purchasers of children's books will do well to bear this in mind. The child is indeed rich in knowledge who knows through books what treasures lie in the ground, the sea, the plants and the blue dome of our earthly habitat. Each writes its history and the author worth while can tell how to come at these enchantments of nature. When the mind rises, through the sublimity of well chosen words, somehow God seems nearer and the heart is content. It is true it requires better art to write now than in the past. There is so much in modern day living to draw children away from the quiet perusal of good books and works of imagination are not to be lightly discarded. A book shower at Christmas, if well chosen by discriminating parents, may well prove a "shower of blessing"—a moral and educational force. Except for the great outdoors nothing gives so much intimate knowledge to children as good books.

HONOR CO-WORKER

Ladies Society of the Presbyterian church held its regular meeting in the Sunday school room last Thursday. The main feature of the affair was a shower, under the direction of Mrs. R. J. Prince, for Mrs. Julia Shinn who is now occupying her new home on Clay street. Among the gifts which this honored member received were a lovely jardiniere, a pair of artistic candlesticks and an attractive mantle clock. R. J. Prince read an original poem which he had composed in compliment to Mrs. Shinn. The pleasant party was concluded with a dainty tea service in the late hour of the afternoon.

TO HOLD BAZAAR

Mrs. Elbert Banks, president of the Ladies Aid of the Christian church, announces that the organization will hold its regular fall bazaar in the church annex all day on Nov. 22. There will be on sale all kinds of cooked food, candy, and a large variety of fancy work.

SENIOR CLASS PLAY

The seniors of the Ukiah high school will present Booth Tarkington's play, "Tweedles," which is a comedy of New England family life. The typically American setting is an antique shop in an old New England farm house. The date of presentation will probably be sometime early in December. Plans for the play are now being promoted and rehearsals have begun. The presentation will be made under the direction of Miss Evelyn Dalton, teacher of dramatics at the high school. The cast of characters is as follows:

Winsora Tweedle .. Dorothy Campbell
Mrs. Albergone ..... Barbara Hilts
Mrs. Castlebury ..... Juanita Yeo
Mrs. Rickett ..... Agnes Wegner
Adam Tweedle ..... Fred Scholl
Philemon Tweedle ..... Marvin Ford
Ambrose Tweedle .... Jack Martensen
Julian Castlebury .... Henry Buckholz
Mr. Castlebury ..... Richard Sherman

TO RAISE FUNDS

The Parent-Teacher Association of the Ukiah grammar school, under the able leadership of Mrs. Harriett E. Plantz, has undertaken several projects in child welfare, chief among which is supplying milk to undernourished children. In order to raise funds for this worthy purpose, Mrs. Gay Withrow, the kindergarten teacher, has undertaken to give an entertainment at the auditorium of the grammar school on Dec. 5. She has divided the school children into a number of sections that will participate in the program in groups. There will be an operetta, a short play, dancing, and other forms of entertainment.

AT BOARD MEETING

Mrs. W. D. L. Held, president of the Mendocino county Federation of Women's Clubs, attended the executive board meeting of the San Francisco District, California Federation of Women's Clubs, held at the Western Women's Club in San Francisco convened at 10 o'clock when club presidents and county chairmen were privileged to listen in. An informal luncheon preceded the afternoon session which opened with a presidents' council. The speaker of the afternoon was Hon. Lewis F. Byington, who addressed the gathering on the significance of Armistice Day.

BAY DISTRICT WEDDING OF MUCH INTEREST

Dr. and Mrs. J. J. Kirwin were in the bay district last week to attend the wedding of Miss Alice Dukes, daughter of Dr. and Mrs. Charles Alfred Dukes of Piedmont and Reimer Rankin Lahann, who resided here while manager of the Ukiah branch of Montgomery Ward & Co. and who is now engaged in business in the bay district.

The wedding took place at eight o'clock Monday evening, November 3 at the home of the parents of the bride in Claremont. About 130 guests witnessed the rituals at which Dr. O. W. S. McCall officiated. The bridal pair and their attendants stood in a large west window alcove of the living room from which a wide view of San Francisco Bay is afforded. Two great standards filled with brown and gold chrysanthemums and blue delphinium were at either side of the window. These, in turn, were flanked by tall colonial candelabra. The bride, who was given in marriage by her father, wore a gown of white satin with fitted waist-line and full skirt. The long bridal veil of tulle was caught by a Russian head dress of rose point lace. Gardenias and lilies of the valley formed the bridal bouquet. Mrs. Charles Stanley Dimm, sister of the bride, was matron of honor. She wore a gown of flesh-colored crepe and carried cyclamen shading from palest pink to deepest rose and combined with blue delphinium in a shower effect.

The two bridesmaids wore gowns of aqua blue shading into green. They carried Talisman roses. A buffet supper was served after the ceremony with members of the bridal party at a table decorated in pink and blue. A cloth of pink satin was topped by one of Italian lace. Tall pink candles were in the candelabra and in the brass sconses about the room. The couple are honeymooning at Carmel. Mrs. Lahann's going-away gown was of modish black and white with which was worn an orchid corsage. Mr. and Mrs. Lahann will be at home to their friends at an apartment in Hilgard Avenue, North Berkeley. Mrs. Lahann is a graduate of the University of California at which she was a member of the Pi Beta Phi sorority. She later studied at the California School of Arts and Crafts and is well known in bay district art circles as a portrait painter. Mr. Lahann is also a graduate of the University of California where he was a member of Kappa Alpha fraternity. He is the son of Mrs. John T. Bell of Oakland.

BAZAAR SATURDAY

At one o'clock Saturday the annual bazaar of the Federated Methodist Women will open its doors in the social hall of the church. This year eight booths will display attractive articles for sale including needlework, aprons, home-cooked food, dressed poultry, and three booths where candy or ice cream and cake may be enjoyed, or sandwiches and coffee and tea. The Epworth League of the church under the sales chairmanship of Mrs. J. H. Hansen and Mrs. F. M. Wilson, will be in charge of these latter booths. The promoters of the bazaar will provide entertainment in the form of a program both afternoon and evening. Mrs. Wesley Ford is president of the organization which is deserving of the support sure to be afforded it Saturday.

WEDS SCHOOL FRIEND

A romance, begun at Willits in grammar school days, ended in wedding bells for Miss Hilda Shusta, of Santa Rosa, and Robert E. Higginson. The wedding took place at San Jose Thursday where the bridegroom is manager of a theatre and where the new home will be established.

WEDDED HERE

Miss Myrtle Watson, of Lower Lake, and Alan N. Colburn, of Lakeport, were wedded in this city recently at the home of Rev. Elbert Holland, who officiated at the service. The bride looked charming in a frock of white silk. She carried an arm bouquet of white chrysanthemums and maidenhair fern. She was attended by her close friend, Miss Ora Carlson, a teacher in the Lower Lake elementary school. The best man was Glenn Colburn, brother of the bridegroom. A home for the bridal pair will be built on the Colburn ranch in Scotts Valley, Lake county.

MONTHLY MEETING

Teachers of the local elementary school held the monthly dinner meeting Tuesday evening of last week at the Rainbow Cafe. Mrs. A. L. Tracy is president of the organization this year. The meetings are social in nature.

PRETTY WEDDING AT WILLITS SUNDAY NOON

From the standpoint of romantic interest and beauty of setting the wedding of Miss Ruth O'Kelley, daughter of Mr. and Mrs. B. A. O'Kelley of Willits, and Paul Clary, Jr., of Eureka, surpassed that of any social affair of the autumn season in Mendocino county. The wedding took place at high noon Sunday at the home of the bride's parents in Willits. Rev. Father Sebastian Brennan officiated in the presence of more than two score of the relatives and close friends of the bridal pair. The vows were exchanged under a wedding bell of white button chrysanthemums made by Mrs. Ellen Hunt, florist of this city, who went north to superintend the decorations for the wedding. The bell was suspended from an arch covered with garlands of autumn foliage and white chrysanthemums flanked by tall floor baskets filled with large white chrysanthemums and trailing asparagus ferns. Before an improvised altar under the arch white satin cushions were placed for the ritual. The bride, who was given into the keeping of her husband by her father, wore a long modish gown of white, satin-back crepe. Her bridal veil was caught with white gardenias and she carried a shower bouquet of baby roses. Miss Gail Clary, sister of the bridegroom, was bridesmaid. She wore an Empire gown of yellow chiffon and carried Ophelia roses. Raymond Clary, of Eureka, was best man for his brother. At the wedding breakfast the table was decorated in white and yellow chrysanthemums and tall yellow candles. Later in the day Mr. and Mrs. Clary departed by motor for Sacramento where they will be guests of Leslie O'Kelley, brother of the bride, for a few days. Mr. and Mrs. Clary will be at home to their friends next month at Eureka where Mr. Clary is chemist for a Redwood Company. The bride is a charming young woman who was graduated from the Willits high school and the Arcata teachers college. She has been engaged in teaching at the Bonita school near Mina. Mr. Clary formerly resided here where he attended school. Later, when the family moved to Eureka he attended the high school of the northern city, where he made an enviable reputation in football. Following graduation he and his brother went to South America with an uncle who was connected with coffee plantations there. Mr. Clary is a grandson of the late Judge Jackson Temple of the Sonoma county superior court.

Attorney G. E. Redwine was in San Francisco several days last week on legal matters.

CLUB ART EXHIBIT

The Saturday Afternoon Club held a household arts exhibit Saturday at the clubhouse which included framed needlework landscapes produced in gay wool; hooked and braided rugs; embroidered linens and weaving. Through the co-operation of Mrs. Bertha Emery and Miss Grace Emery a San Francisco firm exhibited rugs and woolen art novelties. Miss Grace Emery gave a talk on modern needlework. Mrs. Hazel McGarvey is chairman of the art section of the club. Mrs. Lloyd Bittenbender was named music chairman of the meeting and Mrs. G. P. Anderson headed the hospitality committee.

INITIATORY SERVICE

At the regular meeting of the Junior Auxiliary of the Saturday Afternoon Club last week at the club house several new members were initiated after which refreshments were served and dancing enjoyed. The new members are Frances McCowan, Marjorie Harris, Frances Purdy, Odette Valette, Margaret Grothe, Claire Pauli, Helen Elliot, Mary Braun, Marcelle Valette, Lila Ottoson.

ALL DAY MEETING

The ladies of the Missionary Society of the Federated Methodist church held an all-day session Thursday in the social hall of the church which included a devotional service, a program both morning and afternoon and a luncheon at mid-day. Mrs. Warren Bonner was in charge of the afternoon program.

LIONS WILL DANCE

The first social event of the season for the Ukiah Lions Club will take the form of a dinner dance to be held on the eve of Thanksgiving day according to plans now in process of formation by the club. It is probable the affair will be held in the Canton room of the Palace hotel where the club meets weekly at luncheon.

HAD DINNER PARTY

Mr. and Mrs. G. M. Miller were recent hosts to celebrate the 19th birthday of their son, McSpadden Miller. The party was held at the Miller home in South School street with several out of town guests in attendance.

TO HOLD MEETING

Friday afternoon at 2:30 o'clock the Ukiah Woman's Christian Temperance Union will meet in regular session at the Federated Methodist church, according to an announcement made by Mrs. R. S. Ryder, president. The program will include reports from the delegates to the Golden Jubilee of the organization held recently at Petaluma.

LOCAL YOUNG FOLK UNITED IN A HOME CEREMONY

At a pretty wedding in which the holiday season was symbolized in decorations, Miss Irma Roach, daughter of Mr. and Mrs. R. E. Roach of this city, became the bride of Alfred Frey, son of Peter Frey, prominent agriculturist of the Ukiah valley Sunday. The vows were exchanged at high noon with Rev. E. H. Benson, of the Episcopal church officiating in the presence of 25 relatives and friends of both families. The Roach home was a bower of woodwardia ferns, chrysanthemums and the brilliantly hued toyon berries which were used in profusion. The table where the wedding breakfast was served was decorated in chrysanthemums and lighted by candles of matching hue. Mr. Roach gave his daughter into the keeping of her husband. The bridal gown was of white silk crepe, modishly fashioned and the bridal bouquet was of baby roses in shower effect. Mr. and Mrs. Frey are honeymooning in southern California. Upon their return they will probably reside in this city. Both young people are very popular with a wide circle of friends here.

LOCAL ATTORNEY SPEAKER

Attorney Keith C. Eversole went to Napa Monday where he was a speaker before the luncheon meeting of the Napa County Bar Association. The local attorney is past president of the Mendocino County Bar Association and is largely responsible for the splendid working plans of the county organization. It is the desire of the Napa body to emulate the Mendocino County Bar Association and Mr. Eversole was called to outline a similar plan for the Napa county legal lights. At the meeting of the State Bar Association at Pasadena recently Mr. Eversole addressed the gathering on the methods on which the local association was progressing.

DINED AND DANCED

Of the many dinner parties preceding the dance of Lewis White Post of the American Legion last evening at the elementary school the one held in the Canton room of The Palace Hotel by six Legionnaires and their ladies was of particular interest and enjoyment by reason of the beauty of the table appointments and the congenial atmosphere. The table decorations included a beautiful bowl of red carnations and ferns placed in the center of the table and flanked by gilded airplanes. The place cards were Red Cross nurses in full uniform. both the airplanes and the place cards were the artistic wrok of Mrs. Leonard Michelson. Those who shared in the enjoyment of the several course dinner and the ensuing dance were Mr. and Mrs. A. G. Ring, Mr. and Mrs. Don Ward, of Hopland, Mr. and Mrs. W. A. L. E. SKELLEY IS NAMED PATRON

Covelo Resident Honored By Selection In O. E. S.

(Special Correspondence of The Press)

COVELO, Nov. 11.—A treat is in store for the citizens of Round Valley for Friday evening of this week, November 14. To arouse interest in the work of the night school Principal L. E. Skelley has secured as a speaker for the opening date Dr. T. W. MacQuarrie, president of San Jose State College, a speaker of unusual force and vigor, whose ideas on education appeal to the broad human sympathies. A "tradition-breaking administration" is the way his work is described by the writer from whom we quoted last week in telling of the establishment of the first complete college course in police work in the world, now being carried on at San Jose by Prof. George H. Brereton, who graduated from the Round Valley high school about 12 years ago. Dr. MacQuarrie it was who selected a Covelo boy to carry out this new idea in practical education. Those of our teachers who have heard Dr. MacQuarrie speak are warm in their praise. It is earnestly hoped local people will fill the auditorium to capacity to enjoy this unusual treat. The school band will be out to add interest to the occasion. There will be no charge.

Red Cross Worker Coming.

Miss Mary Jones, national Red Cross field representative, will meet with the local organization Friday evening, November 21, in the lobby of Hotel Covelo, for the annual roll call. Miss Jones will come prepared to tell us in detail just what sort of work may be done in our home community by our local chapter with the funds which have been on hand for a number of years since the war. Covelo responded nobly to the Red Cross summons in time of war; she would now like to make use of the funds then raised for emergencies, in any legitimate way to meet local needs. Unless our organization is maintained here this money will have to be turned into the treasury of the national organization. Some 16 citizens have signed up for the present year. It is hoped a much larger representative gathering may meet Miss Jones Friday evening.

Getting New Stock.

C. H. Lovell's new shop is rapidly approaching completion. All was under roofing before the rain of Saturday morning. He is installing a fine lot of new power machinery, which includes a power hammer, a thread cutter, a hack saw and a planing mill or jointer for smoothing up and fitting rough lumber. The community will greatly appreciate these conveniences.

J. B. Firebaugh Dead.

With the passing of James B. Firebaugh at the home of his son, Chas. B. Firebaugh, Sunday, October 26, Covelo loses an honored and esteemed citizen who went down to his grave rich in years. Mr. Firebaugh was born near Cedar Grove Mills, Virginia, January 18, 1845. As a boy in his teens he served in the Confederate army through the entire Civil War, being a member of the Rockbridge Cavalry, 14th Regiment, Company H, under General McCausland. For one year of this time he was a military prisoner confined at Camp Chase in Ohio. After the close of the war he came to California to make his home, where in 1871 he was married to Miss Sarah Carden. His beloved wife preceded him a few years ago to the grave. Three children survive them, James W., of Craig, Colorado; Mrs. Eleanor Mulvahill, of Newbridge, Oregon, and Charles E., of Covelo. One sister also survives from a large family group, Mrs. Virginia Bear, of Burbank, California. While still a young man in his native state Mr. Firebaugh became a member of the Presbyterian church.

Buried Monday Last.

Services were held in his honor Monday afternoon at the Baptist church, Pastor Moore officiating. Kindly neighbors assisting in the last rites included the pall bearers, J. G. Short, B. L. Hurt, S. W. Walter, E. H. Long, E. M. Durnford and G. H. Ells and the choir, Mrs. E. H. Long, Mrs. W. H. Ham, S. F. Gray and W. A. Gray, with Mrs. G. R. Redwine at the piano. Floral offerings adorned the church and the beautiful grey casket. The body was laid to rest in the Masonic cemetery on the slope of our western hills.

Suit Not Decided.

Justice G. R. Redwine still has under advisement the civil suit of Baechtel Brothers, of Willits, vs. M. C. Hurt, of Covelo, to determine the ownership of a tractor purchased by the latter from Tony Mendoza, who has been operating the Baechtel ranch. The law permits the judge 30 days in which to render his decision. Baechtel Brothers were represented by Attorney Taft, of Willits; Hale McCowen, Jr., of Ukiah, supported the defense.

Has A Roadster.

Jack Kelley acquired last week through Vann Brothers a handsome Ford sport roadster, de luxe edition, which drew many an admiring comment while on exhibition in front of the oil station on Commercial avenue.

Dorcas Aid Met.

Mrs. May Williamson, assisted by Mrs. Shields and Mrs. Caleb Brush, acted as hostess to the Dorcas Aid Society Friday afternoon of last week on the occasion of the regular mission study meeting. After the formal opening with hymn and prayer President Merry O'Ferrall told of having received a letter from Mrs. Barton telling of her appointment to the chairmanship of missionary work for this district. A mission study class to meet a half hour before church each Sunday evening, under the leadership of Mr. Coke, was discussed. Then followed a duet by Mrs. Rohrbough and Mrs. Johnson, after which Mr. Coke reviewed the chapter in the text of Religious Achievements in India. Mrs. Coke told of life in Alaska. Formal closing was followed by a social hour around the delicious sandwiches, pumpkin pie and tea served by the ladies in charge. The offering was $3.78 from the 17 members present. The next missionary meeting will be held on the first Friday in December, the place to be arranged for. The next meeting of the Dorcas Aid will be held at the home of its president, Mrs. J. S. Rohrbough, Friday, November 14.

Improvement Club Meeting.

The next meeting of the Covelo Women's Improvement Club will occur Saturday afternoon of this week. The program will be in charge of the literary committee, Mrs. Eva Dunlap chairman. Twenty members have already enrolled with Mrs. Wren for work in the choral section. A meeting of this section will be held November 22, at a place to be designated.

O. E. S. Election.

Officers were elected by Augusta Chapter 80, O. E. S., at the last meeting as follows: Worthy Matron, Esther Duncan; Worthy Patron, L. E. Skelley; Associate Matron, May Yates; Associate Patron, John D. Rohrbough; Conductress, Clara White; Associate Conductress, Emma Rice; Secretary, Nellie Ham; Treasurer, Winnie Hurt. Installation is set for the next regular meeting, November 20. Each member will be privileged to invite two guests for the evening. Mrs. G. W. Goforth will act as installing officer. Committees to arrange for the welfare of the guests are Mrs. Loyett, Mrs. Winnie Hurt, Mrs. Ham and Mrs. Bellatti on the refreshment committee, and Mrs. Fitzhugh, Mrs. Woolley and F. E. Woolley on the decorating committee.

Made A Report.

Worthy Matron Beatrice Goforth gave a delightful report of the sessions of the Grand Chapter which she and Mrs. Ham attended in Oakland last week. The retiring decorating committee presented the chapter with a set of altar cushions in the emblematic colors, and also with a mirror and towels for the dressing room.

Invited To Banquet.

F. E. Woolley extended to the chapter an invitation from the Masonic fraternity to attend a banquet to be given by them to the chapter Saturday evening, November 15, in the lodge room.

Shovel Shipped In.

The last load of the Colley steam shovel arrived early in the week. It is being assembled at a point east of the Philo Robbins place, preparatory to removing the most dangerous points from the road between that point and Kelley Canyon. Active operations will begin at once.

D. M. Grant, of the Bank of America of Ukiah, made a business visit to Covelo during the week. Mrs. Grant accompanied him.

W. D. Rhoads is fast completing a shop on his lot on Commercial avenue. He will re-establish his harness shop and shoe repairing trade.

W. H. Ham has rented the upper story of the E. A. Gravier building for residential purposes. He will move in from Ham's Camp shortly.

T. J. Lowry is in Ferndale this week securing his winter's supply of apples.

CHRYSANTHEMUM SHOW

Mrs. Ellen Hunt was at the Lakeport Chrysanthemum Show held Saturday under the joint sponsorship of the Lakeport Civic Club and the Lakeport Garden Club in the rooms of the former organization. Several hundred choice bouquets of blossoms and single flowers were on display including several magnificent specimen bouquets from the famous Hunt gardens near Orr's Springs where Turner varieties are exclusively grown. Mrs. Hunt was accompanied to Lakeport by her daughter-in-law, Mrs. Mildred Hunt and her sister, Mrs. M. Arnold, of Oakland. During the afternoon Mrs. Hunt was prevailed upon to give a talk on the culture of chrysanthemums. Interest in Lake county is just awakening to chrysanthemum growing. The soil is better adapted there to the culture of the lovely blooms than in almost any part of California and it is likely the next few years will see many acres planted for commercial purposes.

JOINT LODGE MEETING

The Odd Fellows of every lodge in Mendocino and Lake counties have been invited to meet with the Ukiah lodge Tuesday evening, November 18, at which time the Grand Master Floyd Hishaw will make an official visit. An elaborate banquet and the exemplification of the work will be features of the meeting.

WIDOW NAMED AS BENEFICIARY

Chas. F. Van Damme's Wealth Distributed To Charities

Naming the widow, Mrs. Alice A. Van Damme, as the principal beneficiary, the will of Charles F. Van Damme, San Francisco and Mendocino county lumber man, who died September 25, was filed for probate in Santa Rosa Friday. Attorneys estimated the estate at $750,000. Friends, relatives and charities will benefit substantially. A bequest of $30,000 each was made to Josephine A. Van Damme of Fort Bragg and Theodore B. Van Damme of Burlingame, sister and brother of the lumber man. Mrs. Cora Van Damme, a sister-in-law, was given $10,000.

No Lines Drawn

Mr. Van Damme drew no sectarian lines in his gifts to charities, Catholic, Protestant and Jewish sharing equally. To the Catholic Orphanage at Bay View and Newhall streets, San Francisco; the San Francisco Presbyterian Orphanage and Farm at San Anselmo; the Protestant Orphanage Society, San Francisco, and the Pacific Hebrew Orphanage he gave $5000 each. The homeless children's committee of the Native Sons and Native Daughters and the Society for the Prevention of Cruelty to Animals were each bequeathed $5000.

Gave Park to State

A large tract of beautiful redwoods on Little river, Mendocino county, was granted to the State for park purposes.

Bequests to Friends

The bequests to friends ranged from $10,0000 to $2000 and included a $2500 gift to Rev. George Phillips, pastor of the Tenth Avenue Church of Oakland, and a like sum to the church congregation. Mrs. Van Damme is named executrix, with Harold T. Gill and Henry A. Jacobs of San Francisco as executors.

DISTRIBUTION OF PLATES ON

1931 Automobile Licenses Should Be Applied For Now

Renewal of registration and the issuance of 1931 license plates for automobiles will begin Monday, December 15, and continue to midnight of January 15, according to announcement made by the California State Automobile Association last week.

Two Million Cars.

During that period more than 2,000,000 motor car owners in California will be required to register their cars for the coming year and obtain new plates.

Color Of Plates.

The color scheme of the 1931 plates will be orange lettering on a black background, simply reversing the colors of 1930. The dashes between letters and numerals will be eliminated but the size and shape will remain the same. Motorists whose white slip certificates have been mutilated or lost are advised to apply immediately for a new certificate in order to avoid delay and inconvenience in obtaining new plates.

Attorney W. P. Thomas was called to the city on legal matters last week, returning home Saturday.

BRIDGE VOTES COUNTED

(Continued From Page One)

were made by the Hyde street-Sausalito and the San Francisco-Oakland pier lines. Traffic on the former line jumped nearly 9 per cent and the latter almost 10 per cent. The Hyde street-Berkeley line also developed a substantial increase.

No Delay Seen.

Earlier in the week President Wm. P. Filmer, of the Board of Directors of the Golden Gate Bridge and Highway District, stated that at the meeting today steps will be taken for issuance of the bonds and calling for bids.

High Pressure Plans.

"It is our intention to work under high pressure from now on in order that the actual construction may get under way as quickly as possible. In view of the present labor situation, we feel there is urgent need for immediate action—that it is an obligation put upon the directorate by the voters."

Will Sell Bonds Readily.

President Filmer said plans and specifications for the bridge are in readiness and no difficulty is anticipated in marketing the bonds, scores of inquiries already having been received regarding them. "As president of the board," said Mr. Filmer, "I want at this time to express my appreciation of the confidence manifested in us by the voters; this, despite the too obvious attempts of the opposition to discredit not only the bridge project, but those behind it.

Pledge Is Repeated.

"The directors repeat the pledge given taxpayers that, should the bids exceed the present estimates of the bridge engineers, no bonds will be sold and the entire matter will be referred back to the voters for a decision as to whether they want to go ahead with the bridge. This, however, is a remote possibility, for I have no doubt at all the engineers' estimates are correct."

Procedure Described.

Regarding the procedure to be followed in the sale of bonds for the bridge, Geo. H. Harlan attorney for the Golden Gate Bridge and Highway District, said: "Bonds for the bridge will undoubtedly be sold only as the money is needed. The first block of bonds to be sold will be in accordance with the contracts let at the time they are sold; that is, no more bonds will be sold than are necessary to pay for the installments due on the contracts already out, or those that can reasonably be expected within the following six months.

Go To Highest Bidder.

"The bidder who offers the highest premium will be awarded the particular block of bonds advertised for sale. Advertisements will be inserted in a San Francisco paper and also in a New York financial paper.

Speed Is Promised.

The money received from the sale of bonds will be deposited in bridge district banks, where it will draw interest until it has been exhausted. When this occurs, another block of bonds will be offered and the procedure repeated."

Helps Two Causes.

Josepr B. Strauss, chief engineer of the bridge and highway district, also pledged himself to an early start on the Golden Gate span. "We shall lose no time in getting the work under way," Engineer Strauss said. "In doing this we will be fulfilling two obligations; one will be the relief of unemployment and the other meeting the urgent need of the bridge for traffic between the areas it connects."

Golden Gate Bridge.

Virtually complete returns on the 6-county vote ordering issuance of $35,000,000 bonds to build the Golden Gate bridge, showed 144,881 for the bonds and 46,560 against them, leaving a generous margin above the two-thirds required by law.

J. C. PENNEY AN OPTIMIST

Head Of A Big Nationwide Store System Sees Good Times

"Retail merchants hold the key to the economic situation and it will be good business judgment so to organize the business of retailing that they may keep the reins in their owns hands. The retail structure of the country will be the force which will glean the benefits or suffer the consequences of our present economic conditions."

J. C. PENNEY CO.
Founder and Chairman of the Board of J. C. Penney Company

J. C. Penney, founder and chairman-of-the-board of the J. C. Penney Co. expressed these views yesterday in a talk to business men on the subject "Our Changing Economic Structure."

Better Times Coming

He predicted that the close of the year will reveal a money volume of sales not far below last year and that in some instances the figures will exceed those of last year. Continuing, Mr. Penney said: "Twenty years ago this was a country of somewhat isolated localities. Except for the distribution of such crops as cotton, small grains and beef we had few large organizations doing a national and international business. Mass production, as we now view it, was not yet started. "Today, so far as our economic life is concerned, we are a compact unit. This has been brought about by many conditions, among the more important of which are improved selling methods, large national advertising campaigns, enlarged and accelerated facilities for shipping and the changes in social intercourse which have been brought about by the automobile, faster and more plentiful trains, the radio and the widening of the national vision as it relates to general interest in national affairs. "My own contact with the economic structure of the country has been entirely along the lines of retail merchandising, in which I have been actively engaged for the past twenty-eight years. In this period, in which the most sweeping changes have occurred in our economic structure, I have been confronted with the same problems which are confronting all of us today and which we have faced in increasing measure during the past several years.

Fear Is Unfounded.

"Only a few months past I traveled through the South and the Southwest visiting merchants, newspaper publishers and others in many cities and towns ranging in size from 20,000 to 300,000. I was surprised and pleased with the spirit of business optimism which I found in nearly every place I visited."

THANKS VOTERS

I am deeply grateful to all who supported my candidacy in the recent election and my hope now is that my course in office may merit the full approval of the public.

E. L. WILLIAMS.

Candy Special On At Maple Confectionery

Something unusually fine in candy is being offered this week at the Maple Confectionery where the management is making a special price on fresh nut roll. The delicious melt-in-your-mouth confection is temptingly offered at a cost that is surprising for the value received. See the windows of the Maple Confectionery for prices on the dainty sweet.

ARE IN THE CITY

Mr. and Mrs. A. R. O'Brien left Sunday for San Francisco where they will remain most of the week, an extended meeting of the Board of Directors of The Golden Gate Bridge making it necessary for Mr. O'Brien to be present.

Harry J. Mathews, who is developing a fine ranch in Redwood Valley, was a Saturday caller in the city.

GOT BIG FINE

Sagehorn Suit Settles Question Of Trespass

In a ruling handed down last week Judge H. L. Preston settled a question of the utmost importance to stockmen and settlers on government claims when he found for Fred Sagehorn in a suit in which it was ruled H. H. Wonacott, Mendocino coast photographer, and Dr. E. L. Dryden, Stockton dentist, have no right to trespass on the Sagehorn lands, near Largo, in order to reach their mountain places adjoining. Mr. Sagehorn was represented by Attorney Keith C. Eversole, of this city, and Attorney D. T. Bennitt, of this city and Willits. Often persons taking up government claims are under the impression the government insures them passage over adjoining lands in order to reach their claims and the ruling of Judge Preston last week will be learned with interest.

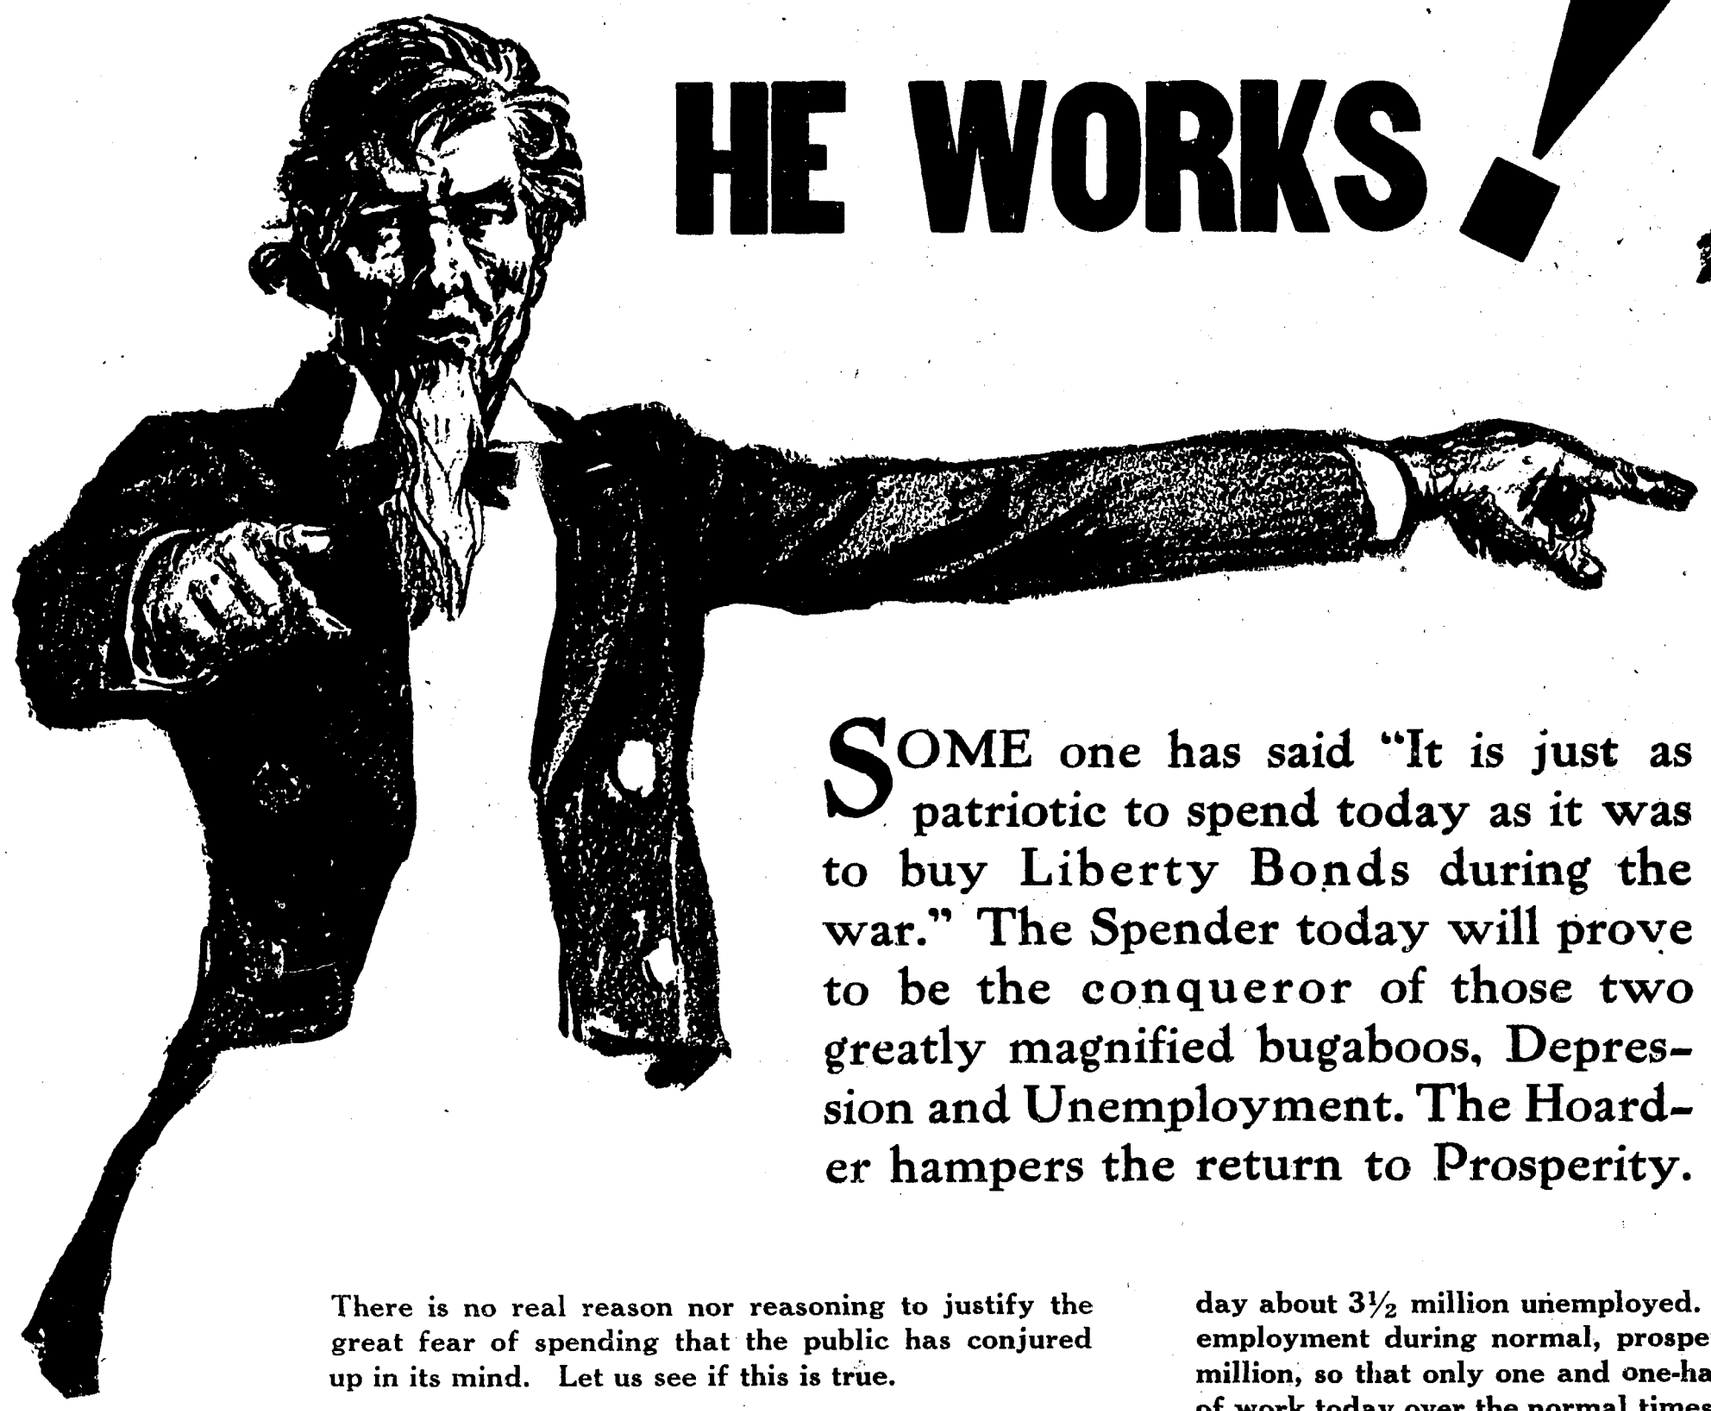
YOU BUY — HE WORKS!



SOME one has said "It is just as patriotic to spend today as it was to buy Liberty Bonds during the war." The Spender today will prove to be the conqueror of those two greatly magnified bugaboos, Depression and Unemployment. The Hoarder hampers the return to Prosperity.

There is no real reason nor reasoning to justify the great fear of spending that the public has conjured up in its mind. Let us see if this is true.

Depression is due to lack of business. When the public stops buying, demand ceases and when demand ceases production halts and when production halts unemployment remains stagnant. So depression is a direct and definite result of lack of spending.

The public has the means to buy for only a small percentage are actually unemployed. Let us see if this is true. Of America's 120 million population there are approximately 100 million able to work. There is today about 3½ million unemployed. The average unemployment during normal, prosperous times is two million, so that only one and one-half million are out of work today over the normal times or about one and one-half per cent of the working population.

The rest of the people can buy if they will. They have he means, the need, the desire if they will only banish fear. Spend and you create demand . . . create demand and you start production . . . start production and you diminish unemployment. Money in circulation is the only solution to national and individual Prosperity.

(Special Correspondence of The Press)

POINT ARENA, Nov. 11. — Mrs. Merle Pugh (Elma Hendrickson) passed away at San Rafael October 29 after a lingering illness and was laid to rest in I. O. O. F. cemetery Sunday. Elma was a girl with a sunny disposition, a smile for everybody, and she was loved by all who knew her.

Caught Big Salmon.

Ben Scott was in this vicinity the early part of the week enjoying a few days' fishing. We will say in this connection the largest fish of the season was caught by Mrs. Kane from the lighthouse, a Chinook weighing 27 pounds. Come on, you men, and beat the lady if you can.

Mrs. Henry Hitchcock has moved into the Bowles cottage.

Cliff Bishop was in town Sunday and Monday from Fort Bragg.

Clerk Was Frivolous.

County Clerk Harry M. Burke was in Point Arena Saturday and in the evening took in the dance in Druids' Hall. This was a masquerade and a large crowd was in attendance.

Attended Funeral.

Ed and Harold Zimmerman and Mrs. Zella Dennen were here from Ukiah last Sunday attending the funeral of Mrs. Pugh.

To Reside Here.

Sunday Charles Cordoza drove to Cloverdale to meet his wife who will remain here, making her home on the A. B. Kendall ranch which Mr. Cordoza has leased. We welcome these young people to our community.

To Leave Coast.

At the same time we register regret at the moving away of Austin Lowe and wife who are leaving for Ukiah after living for a number of years on the Wm. Walsh ranch at Bridgeport. This ranch has recently been acquired by Chas. Galletti.

Mr. and Mrs. Leroy Woodhead returned early in the week from a visit to Sacramento.

Dogs Kill Sheep.

Wes Richard was in Point Arena Sunday from Signal looking after some sheep he has on the company ranch here. Dogs have been running these sheep lately and have killed some. Too bad folks will persist in letting dogs run at large day and night.

Alfred Bishop has moved into the Newt Howe cottage on School street.

Improving Wharf.

Manager Fred Warren has had a crew of men at work driving piling at the wharf and otherwise putting things in shape to withstand the storms of winter.

Came To Vote.

Sam Ainslie was in from his stumping ground on Signal Ridge Tuesday to cast his vote. Sam is a conscientious voter but we believe he is glad for any excuse to come to town and say hello to his old friends and tell a few new stories he has heard. This trip he brought Dr. Biddle in with him. Doc has not been in Point Arena for a number of years.

Lost His Bet.

Game Warden Mitchell and Alfred Bishop had a wheelbarrow ride bet on the sheriff race at Tuesday's election the result being Mitchell will be at the business end of the wheelbarrow while Alf will be at the wheel. We are waiting patiently for the payment of this wager as the course will be from Les McCallum's place up the town hill to Frank O'Brien's residence and will have to be a non-stop trip. Losing this wager naturally peeved "Mitch" and in order to get even on someone he ooozed out to the river Thursday night where Ainer and Dahl and Londo Franci were engaged in the sport of salmon spearing. They had each gotten their limit and were coming back up the river when they encountered a school of Chinook salmon and one of the boys could not resist picking up a couple which would have been OK only for the fact "Mitch" was waiting for them at the car and it was just too bad. All it cost the boys was $25, which is a very reasonable price for two fish.

Mother Passed Away.

Mrs. Grant the aged mother of Harry Grant, of Gualala, passed away last Monday and was buried Wednesday.

Dr. A. C. Huntley and wife came over Tuesday from Winters to vote and returned next day.

He Met Grief.

Sunday evening the Drews, Ornbauns, Pennocks and Woodheads attended a barbecue at Greenwood, given by Mrs. Dutton. The pit had been made across the mouth of Elk creek and the crossing had to be made on two rafts, one of which was not seaworthy, and while attempting to make the crossing on the raft with the poor reputation Roy Woodhead was bucked off in about two feet of water, where he sat with just his head and shoulders exposed, looking most bewildered. Needless to say, the rest of the party enjoyed the spectacle greatly. Barbecued lamb was served and was pronounced perfect.

Enjoyed Whist Play.

Five tables were in play at the regular monthly whist party of the Civic Club Thursday night. Mrs. Wm. Smith had high score while Mrs. Funk was low for ladies and Ralph Bayley and Dan Jensen were high and low for gents.

At Dairy Show.

Professor Drew, the agricultural instructor at the high school, left yesterday for Oakland with eight agricultural pupils who will attend the Pacific Slope Dairy Show and compete in the judging of dairy cattle.

Ed Jakway and wife, of Vallejo, spent last week-end with his home folks and enjoyed the fishing in the Gualala.

Chief Patton, of the Life Saving Station, has been passing a week's leave in San Francisco.

LAST MINUTE FIGHT STRONG

Sheriff's Office Contest Was Heated In Anderson Valley

(Special Correspondence of The Press)

BOONVILLE, Nov. 11.—Word was received here Friday of the death of Mrs. Amanda Holmberg, of Philo, at the home of her daughter, Mrs. W. Bryants in Fort Bragg. Mrs. Holmberg had not been well for years but nevertheless her death was rather unexpected, as the last word received from her a few days ago was encouraging. On receipt of the sad news her three daughters, Mrs. Henry deRosier, Mrs. F. B. Cook and Mrs. Martin Silvers, all residents of the valley, left immediately for Fort Bragg.

Mrs. Wallach Better.

Mrs. C. M. Wallach was recently confined to her bed several days with a severe case of tonsilitis, but is now improving.

Lady Brought Returns.

Mrs. Ralph Harrington and daughter, Miss Ruby, were business visitors in both Ukiah and Cloverdale Wednesday. Mrs. Harrington served on the election board and took the returns over to Ukiah.

Miss Evelyn June has been absent from high school most of this week, due to an attack of influenza.

Class Was On Coast.

Prof. Estes and his biology class took advantage of the low tide Thursday and made a trip to the ocean for specimens to use in class work. They secured some very interesting ones.

Date Is Different.

The Ladies Missoinary Society has changed the meeting day from Thursday to Wednesday of each week. The society is working on quilts at present and anyone interested is invited to drop in and lend a hand.

Were Minister's Guests.

Rev. and Mrs. D. T. Reed were hosts Tuesday evening to officers and teachers of the Sunday school at a delicious turkey dinner, prepared and served by Mrs. Reed. Their guests included Mrs. H. V. Nichols, Miss Violet Nelson, Miss Linnea Nelson, Mrs. Henry deRosier, Mrs. Wm. Reilly, Miss Edith Field, Pomeroy Field and Alden Reilly.

Patient Is Recovering.

We are glad to report that Albert Cureton, who suffered a badly fractured skull and other injuries when he was run down by an automobile near Stockton recently, is making a satisfactory recovery.

Made Strong Stand.

All interest in the recent election here centered around the office of sheriff and the local constable fight between Constable J. M. Ginochio and D. V. Presley. In the primary Mr. Presley had almost as many votes as his two opponents together and it was expected he would lead by a substantial margin. The sheriff's fight was bitterly waged by both sides and several men and women were very busy the last few days in a final effort to line up every available vote for their favorite. A huge bonfire and Byrnes supper staged by his supporters Tuesday night drew a large crowd.

HAD NICE EXHIBIT

Mrs. Ellen Hunt, of the Cecile Flower Shop of this city, exhibited some beautiful chryanthemums at the Lakeport Flower Show Saturday. The "mums" were raised at the Hunt place near Orr's Hot Springs and for beauty of coloring and size could not be excelled anywhere in California.

BABIES DIED

The second of the twin babies born here last week to Mr. and Mrs. James Mannon, passed away a short time after the death of the first infant. Interment took place here Thursday. The condition of the young mother is said to be satisfactory.

No Vandalism This Year.

Less mischief was done here Hallowe'en night than probably ever before. Early in the evening the high school students enjoyed several hours of games and dancing and some homes kept open house to the young people. Later on in the evening joy-riding made things noisy for a while, but no pranks were played that would annoy or damage anyone. A few gates were lifted but not carried far. Business houses, which have suffered in the past from tricks played by Hallowe'eners, appreciate very much the fine behavior of the young people this year and all hope they had a pleasant evening.

R. V. Lawson and E. F. Jewett, of Fort Bragg, were week-end visitors in Anderson Valley.

Visitors Call On Birthday.

A number of friends and neighbors dropped in on Mrs. R. T. Hutsell the evening of October 31 to help her celebrate her birthday. It was a suprise party as not even a hint had reached her. A pleasant evening was enjoyed.

Young Lady Entertained.

Miss Madge Johnson entertained at a real Hallowe'en party Saturday evening and a large number of fellow students from the high schol enjoyed her hospitality.

Mrs. Thomas Rawles, of Ukiah, but for many years a resident of this valley, is enjoying an extended visit here with many of her old friends. She has been a guest of Mrs. A. N. Rawles, Mrs. J. L. Estes and Mrs. Mary McGimsey. Mrs. M. Beck, of Redwood City, is a guest at the C. A. Tarwater home. Mrs. Beck is an old friend of Mrs. Tarwater.

Mrs. D. Cable accompanied her daughter, Mrs. D. Derry, who was called here by the death of her father, to Los Angeles for an extended visit.

On Field Work Trip.

Prof. B. M. Estes and a group of biology students, motored to the coast Monday after school to secure specimens for class work. They were also accompanied by Mrs. C. E. Price, who took some of the students in her car.

Is Getting Well.

Miss Allo Willis, who was badly injured in an automobile wreck the latter part of July, is able to be about on crutches. We are glad to see she is improving.

Young Folks Party.

Mrs. Percy Mims entertained a number of young folks at a Hallow-

ELECTION WAS FORECAST BY THE PRIMARIES

Ralph R. Byrnes, After 20 Years In Office, Was Defeated

CAMPAIGN WAS SPIRITED

Biggar, Burke, Reynolds Have Comfortable Majorities

The colorful career of R. R. Byrnes, who for 20 years has been sheriff of Mendocino county, ended Tuesday when the electors by their votes decreed E. L. Williams, veteran supervisor and acknowledged generally, to be one of the best men in Mendocino county, should take up the duties so long performed by Mr. Byrnes.

A Real Contest

Sheriff Byrnes did not go down to defeat without a battle royal. No contest in recent years has held the center of the stage in Mendocino county as did the struggle for the office of sheriff. All other issues on the ballot were overlooked. Every newspaper in Mendocino, except The Republican Press, lined up behind the cause of Sheriff Byrnes and the friends of the defeated official saw to it the campaign was liberally financed; the mails were flooded with letters, some of a questionable kind; women made addresses for Sheriff Byrnes at various towns and the full strength of the opposition was exerted. However, Mr. Williams won by the apparently established figure of 168 votes.

One Regrettable Instance

While considerable bitterness was injected into the fight toward the last, all could have been forgiven but the unwarranted attack on the character of Judge D. R. Ward, of Hopland. So serious was this offense, it is understood, the matter will be taken into court.

The Apparent Result

All of the precincts in the county, with the exception of Bear Harbor, have been heard from. In that precinct, it is understood, eight votes were registered. Five of these were for Sheriff Byrnes and 3 for Mr. Williams. This according to the tabulation of The Press, will give Mr. Williams a majority of 168. Clerk H. M. Burke stated yesterday there were 54 absentee voters' ballots to be counted. They will not be opened until the supervisors canvass the returns today.

In the assembly fight, Biggar has won over Henderson. The vote in Lake county went 2147 for Henderson and 913 for Biggar. The Mendocino county vote went 2932 for Henderson and 5009 for Biggar. Mr. Biggar thus has 5922, and Mr. Henderson 5079, leaving a majority favoring Mr. Biggar of 843.

In the assessor fight, Reynolds received 4292 to Whited's 3736, a majority of 556.

Burke was reelected county clerk by a majority of 967, receiving 4531 to Broaddus' 3564.

For governor Rolph received 6524 to 1486 for Young.

For Lieutenant governor Merriam received 5134 to 2271 for Welsh. Young ran dry and Welsh wet. Merriam, dry, ran 1390 behind his ticket in this county. On the other hand Welsh, wet, ran 785 ahead of his.

A tabulation of the returns by precints appears elsewhere in this issue.

On The Southcoast.

According to The Mendocino Beacon E. L. Williams carried Fort Bragg by 386, Willits and Little Lake valley by 40, Hopland by over 200 and Ukiah by 7. Byrnes carried every precinct south of Caspar on the coast. Mendocino gave him a majority of 195. Potter Valley rolled up a fine vote for him, and generally the small precincts stood by him in great shape. Round Valley gave him a majority but this was reduced to about 20 by the vote on the Indian reservation where a big vote was polled against him. Wendling and Philo gave him a nice vote while Boonville went for Williams by a small margin.

Press Want Ads
Always Deliver

Bayard Shields had a stove he wished to dispose of last week and, naturally, inserted a classified advertisement in The Republican Press. The first time the ad appeared a party closed a deal for the stove. It is ever thus with classified advertisers in The Republican Press, as everyone in this section reads The Press regularly.

"PROPAGANDA" WAS FORCIBLE

Bridge Foe Would Use Fists In Defeating The Span

First "blood" has been drawn in the war over the Golden Gate bridge bonds, and the "honors are even," according to reports from Cloverdale last week, which was the battle front for the first fistic encounter. The principals in the engagement, which lasted less than a round, were Attorney Caspar Ornbaun, perennial opponent of the Golden Gate bridge, and Bruce H. Wells, publisher of The Cloverdale Reveille.

A 50-50 Break.

Editor Wells, who is about half the size of Mr. Ornbaun, claims no casualties to himself and none inflicted on Mr. Ornbaun. The attorney, while visiting in Healdsburg, exhibited a black-and-blue knuckle as proof of a blow that landed—somewhere. But, according to witnesses, the affray was largely one of swings that missed. No one knows who made the first gesture, not even the principals, they say.

Cause Is Agreed On.

However, both participants are in accord as to the cause of the argument that precipitated the "battle." Mr. Ornbaun had some "publicity" adverse to the bridge issue he wanted Editor Wells to print in his paper, which has been a strong supporter of the bonds. Mr. Wells declined to accept what he termed as "argument and propaganda" except as paid advertising, and told Attorney Ornbaun if he did place the ad with The Reveille the money would be donated to the Chamber of Commerce.

He Was "Biased."

Mr. Ornbaun admits he accused Mr. Wells of bias, but from that point on the accounts differ.

Threats Alleged.

According to Editor Wells, the bridge opponent was abusive and threatening. According to Attorney Ornbaun, Editor Wells had unkind things to say. At any rate, agreeing to disagree, the principals adjourned to the front door of the newspaper office and then to the sidewalk, where hostilities were resumed.

The Worst Is Yet To Come.

Repercussions of the battle in the Cloverdale region are expected, whether or not the bridge bonds passed in Tuesday's elections, since Mr. Ornbaun, although practicing law in San Francisco, is a member of a widely-spread family of northern Sonoma and southern Mendocino counties, and Editor Wells also has a considerable following in that section.

Two Women Injured In An Auto Accident

Wednesday afternoon, a short distance north of Laytonville on the Redwood Highway, Mrs. E. C. Johnstone, 74 years old, and her daughter, Miss Margaret I. Johnstone, of Alameda, suffered injuries in the wreck of their automobile which will confine them to the Howard Memorial Hospital in Willits for some time. The ladies were traveling north and failed to negotiate a turn in the highway, their car leaving the road and crashing into a tree with such force it was demolished.

Local Dairyman Is Attending Meeting

L. J. Romer, owner of the Romer Vista Stock Farm where the best purebred Jersey sock in the state is raised, left Friday morning for Sacramento where he attended a meeting of the executive committee of the California Dairy Council. Mr. Romer also planned to attend an executive board meeting of the state Jersey Breeders Association and will visit his former home at Florin in the Sacramento valley while away.

KILLED 17 COYOTES

To kill 17 coyotes in one month all of which showed, by an examination of stomach contents they had been feeding on deer, is the record of Vic Tuck, of Willits, hunter for the biological survey. The marauders were trapped and poisoned.

"So the People May Know"

In the election which has just ended the owner of this newspaper was the object of many unjust attacks. In instances the ones making the accusations did so knowing they were untrue, in other instances parties accepted what was said, without investigating, and repeated them. They were annoying, to be sure, but, insofar as the writer is concerned, they have been forgotten and forgiven. We could not all win and, while we rejoice in the satisfaction our friends have been successful, on the other hand, it is to be hoped those who suffered defeat may fare well along other lines.

A big majority has said the Golden Gate Bridge shall be built and, at this time, this page wishes to assure all who have opposed the bond issue of $35,000,000 for the construction of the bridge that the stand taken by the board of directors of the Golden Gate Bridge and Highway District (of which body the undersigned is a director) before election, will not be varied from.

Not one promise made will be side-stepped.

If the contract cannot be let for a sum less than the bond issue, no contract will be let.

There will be no more tax levies.

The public will be kept advised of every detail connected with the great undertaking as it advances.

What was stated in The Press and in the advertisements in other newspapers, which told of the plans for the bridge, the methods of financing and the problems along all the lines the huge undertaking will be forced to proceed are today the same as they were before the fight was made.

No untrue statement was employed by any member of the board.

No deception was attempted. None will be resorted to. The writer knows faith will be kept with the taxpayers and that when the bridge shall have been built the wisdom of the advocates of the span will have been proven.

As one of the board of directors the writer is grateful for support, although we lost heavily in Mendocino county, where the whole matter was misunderstood.

The greatest bridge in the world will soon be under way. May we not all get behind it and let the unconvinced restrain their lack of faith until the opportunity to make good has been allowed the directors?

TURKEY SHOOTS HAVE STARTED

Local Nimrods Are To Enjoy Contests At Pitner Hill

Beginning Sunday, the Ukiah Associated Sportsmen are conducting a turkey shoot at the grounds on the Redwood Highway at Pitner hill. The local organization, formerly known as the Ukiah Rod and Gun Club, has erected a new shed on the premises and will continue the turkey shoot each Sunday until after the holidays. The funds derived from the shoot will be used to purchase Hungarian partridges with which to stock the Ukiah valley, according to George Merk, member of the club.

YOUTHFUL BAD ACTOR CURBED

Little Fellow Whose Desire Was To Be A Wrecker Held

As a result of an attempt to wreck the passenger train of the Northwestern Pacific Railroad several months ago Louis Locatella, 15-year-old local boy was committed to the Sonoma state home for the feeble-minded at Eldridge last week. The lad, who had never gone beyond the third grade in school, made himself a general nuisance around the depot and the attempt which came near ending in disaster for passengers and the railroad company, was not his first offense. The hearing was held before Judge H. L. Preston with Dr. R. O. Le Baron and Dr. J. H. Hansen testifying in the case.

Misfortune Follows A Deserving Woman

Friends here and at Cloverdale of Mrs. Elsie Willoughby, widow of Arthur Willoughby, former newspaperman of Sonoma county, will learn with much regret Mrs. Willoughby must submit to an operation for amputation of one leg as a result of infection following an automobile accident. At the time of his death Mr. Willoughby was editor of The Nevada City Nugget. Mrs. Willoughby and her two sons have visited here at the J. C. Hurley home.

W. F. WHITNEY WAS SELECTED

Prominent Willits Man Named On The State Committee

Recently W. F. Whitney, of Willits, was honored by being selected as a member of the Republican Congressional Committee for the First District. On the committee with Mr. Whitney are prominent leaders of the party throughout the district. Judge Whitney accepted the post and has been serving with the other members.

Is A Merited Recognition.

Judge Whitney's selection was one which is approved by all Republicans in this section. The Willits man is a worker in the ranks at all times; he is popular and his influence within and without the party is ever felt.

High School Student Victim Of Accident

Kenneth Schultz, student at the Ukiah high school, lost the tips of two fingers during the seventh period of school Thursday afternoon when he caught them in a power planing machine. According to report it is said to be against the rules of the manual training department of the school to turn on power machinery at that period. The injury will not result in a bad disfigurement as the bones of the fingers were not injured.

Business Suspended Here—Is A Holiday

Schools were closed here yesterday and general business was suspended for the twelfth observance of Armistice Day. A large number of out-of-town folk and many local residents attended the dedication and open house at the War Veterans' Memorial Building in this city which was staged by Lewis White Post of the American Legion and the Auxiliary to the Legion. In the evening the elementary school auditorium was taxed to capacity for the Armistice Day Ball for which music was provided by Curry's All-Star dance orchestra.

VISITED IN SOUTH

Word from Healdsburg last week was to the effect Mr. and Mrs. Albert Evahn, former local residents, have recently returned to their Healdsburg home following a visit at Los Angeles with Dr. Herbert Winkler, son of Mrs. Evahn, and his family.

BIG INDUSTRY LOOMING FOR PEA GROWERS

A Southern Corporation Apparently Means To Develop

PAYS RENT IN ADVANCE

Plans Would Indicate Prosperous Business May Be Result

That the San Diego Fruit and Produce Company mean business was evidenced when leases were received by Charles Weller, of Fort Bragg, for the respective land owners to execute, and accompanying each lease was a check for six months' rent made out to the farmer.

To Raise Peas.

This southern California company plans to test out the growing of peas for the eastern market in the coast section and to that end is leasing between 300 and 400 acres of land principally in the section from Ten Mile to Westport.

Will Make Certain.

They propose carrying on the work with this acreage themselves this first year so none but tested methods will be used. They are bringing in their own equipment, including tractors and other farm machinery and will begin work very soon now. The peas when harvested next June and July they propose to ship in carload lots to the eastern market. Following this initial venture it is expected a number of coast farmers will embark in the business if it turns out satisfactorily.

A DECISION IS POINTING WAY

Opinion Of Judge H. L. Preston Favorable To Lakeport Case

MAY MEAN MUCH

It is generally accepted in legal circles the decision of Judge H. L. Preston in the case reported below will have much to do with favorably determining the result in the litigation now pending and which was started by Mrs. Edna Squires, whose husband was killed while a "guest rider" in Lake county some two years ago.

Findings of Superior Judge H. L. Preston, of this city, in a test case covering the "auto guest" law, in which he held the law is constitutional but that its terms are not retroactive, have been upheld by the state supreme court. The Mendocino county jurist's opinion has been adopted by the highest tribunal as its own. Judge Preston made the ruling in a $35,000 suit involving the guest law, which was assigned to him with instructions to pass on the constitutionality of the statute, enacted by the last legislature.

Old And New Law Differs.

Under his opinion, all automobile accidents which happened prior to August 14, 1929, when the act was adopted, come under the old statute under which it was only necessary to show negligence to hold a motorist liable for injury or death of a guest in an auto accident. All other automobile accidents involving death or injury of a passenger in a car come under the new act, which requires proof of gross negligence, intoxication or wilful misconduct for collection of damages from the vehicle owner or driver. The new act is amendatory to the old statute, according to Judge Preston's opinion. The right of a guest to sue or, in case of his death, the right of his heirs or personal representative to sue, is not destroyed by the new section, the only difference being that the degree of proof required in a guest law case is greater under the new act which went into effect August 14, 1929.

EDUCATOR IS ILL

Paul Beaufort, member of the faculty of the Ukiah high school, submitted to an operation for appendicitis Thursday evening following a short illness. The condition of Mr. Beaufort is said to be satisfactory.

Press Want Ads
Score Once More

P. H. Joseph is a believer in the efficiency of Republican Press Classified Ads and uses them frequently. Last week Mr. Joseph inserted a small advertisement in the classified columns of The Press and sold a radio and two Radiolas as a direct result thereof. Advertising in The Republican Press rarely fails to get quick, satisfactory results, because everyone in this section reads The Republican Press.

AGED MAN HAS DROPPED OUT OF COMMUNITY

Strange Circumstances Surround Flight Of War Veteran

UTTERLY DISAPPEARED

David Goldthwaite's Friends Fear That He Is Dead

David Goldthwaite, well known aged resident of the East Mendocino section, disappeared from the home of E. D. Woodworth Sunday and no trace of him has been found since, although Constable Patton, with a number of the neighbors and the Boy Scouts, has combed the neighboring woods for the old man.

Cannot Be Located.

It was thought Mr. Goldthwaite might have gotten out to the road and been picked up by a motorist and taken some distance. Sheriff R. R. Byrnes has communicated with officers all the way from Sausalito to Eureka to be on the lookout but so far no report of him has come from that source, although there was a rumor earlier in the week he had been seen near Willits but this proved erroneous.

Had Become Irresponsible.

The old man was very deaf and very childish, and Mr. Woodworth not long ago was appointed his guardian. Mr. Woodworth was called to the city suddenly last week by the serious illness of his wife. Before going he secured Mrs. Bates of Caspar to care for Mr. Goldthwaite during his absence. The old man slipped out of the house during the temporary absence of his caretaker and not the slightest trace of him has been discovered since.

Has Money To Live On.

Mr. Goldthwaite came here from the San Ramon valley about 16 years ago and purchased a small place in East Mendocino. He was a veteran of the Civil War and over 80 years of age. He received a pension and had ample means for his needs. He has no known relatives.

Wife's Allegations Denied In A Reply

In an answer and cross-complaint to his wife's suit for divorce Terry Dell Beebe Thursday filed a denial of Anna S. M. Beebe's charges of cruelty and neglect and made counter charges of cruelty and misconduct with another man, according to records at Santa Rosa where the case is being tried, the action being recently transferred to the Sonoma superior court from Mendocino county by efforts of Mr. Beebe's council.

Dismisses Application To Sell Truck Route

BRIDGE VOTES COUNTED AND RETURN MADE

Golden Gate Directors This Week Canvassing Ballots

WORK STARTS ON FEB. 1

All Difficulties Have Been Overcome, Officials State

A meeting of the board of directors of the Golden Gate Bridge and Highway district will be held in the city hall, San Francisco, today. A. R. O'Brien went to San Francisco Monday where as a member of the auditing committee, he assisted in checking bills, which have been hanging fire some time, together with the bills incurred for conducting the election last week.

To Count Ballots

The Bridge Act provides the board of directors of the Golden Gate Bridge and Highway district shall also serve as a canvassing board and it, accordingly, fell upon the directors to count the votes and make the returns to the secretary of state. Just as soon as the preliminary details necessary to clear up the election results have been taken care of, the $35,000,000 bonds will be placed on the market. It is the plan of the directors to sell only such amounts of bonds as are necessary to take care of the expenses as the work progresses. There will be no trouble in disposing of the issue, as many big bond houses have signified their willingness to handle the bonds.

Work in February

The hope of the directors is everything will be in readiness for actual construction on the bridge to be started in February. So careful have been the details up to the present time handled, it is safe to say it will not be necessary to hold back the commencement of actual construction to correct minor matters. The directors have employed the most famous bridge builders in the world. Allan MacDonald, general manager of the Golden Gate Bridge, is one of California's most successful contractors and an authority thoroughly capable of handling the gigantic problem. All of the various officials under the employ of the board were selected with the sole idea of fitness and can be relied upon to fully discharge their duties to the satisfaction of the public.

A Real Genius

President Wm. P. Filmer has guided the directors through the annoying preliminaries with exceptional tactful skill. He has given unstintedly of his valuable time and, probably more than any other one man on the directorate, has been helpful in avoiding shoals and keeping out of the entanglements the ferry trust worked over-time to create.

A High-Class Officer.

W. W. Felt, secretary of the board, through a quarter of a century experience in such matters, conducted the intricate details of the district bond election and, when it is recalled the bond election, because of the divided district here in Mendocino county and Napa, produced complications never in the past encountered in California, and that not one mistake was made in the whole set up, it can truthfully be said Mr. Felt's work was of a very high order.

Had Much to Do

George H. Harlan as attorney for the board of directors has been called upon to defend the bridge act against the combined efforts of a battery of attorneys employed by the ferry trust. Single-handed Attorney Harlan has had to appear in superior courts of the district, before the state legislature, the supreme court of the United States, the departments at Washington and in our own highest tribunal and, in every instance, through Mr. Harlan's intelligent handling of the interests of the board of directors, the cause of the bridge adocates has prevailed.

Publicity Man a Jewel

Stuart Dunbar, old time metropolitan newspaperman handled the publicity and it was in no small part due to Mr. Dunbar the voters were so well advised of the real merits of the bridge.

Ferry Traffic Grows.

Notwithstanding the more or less naturaleness of restricted traffic movement coincident with the slowing up of general business, Southern Pacific Golden Gate Ferries continued to show consistent increases in vehicular traffic on practically all routes on the bay. From January to the end of October the Southern Pacific Golden Gate system carried a total of 5,142,476 vehicles, as compared with 4,881,552 in the 1929 period, an increase of 260,954 vehicles, or 5.35 per cent. The most important gains

ARMISTICE HYMN

(By Walter H. Brundy, Oakland)

We glory not in deeds of war
Our triumph—not in blood!
'Tis not to vaunt a conquest gained
We raise our hearts to God.
The hallowed memories recall
The noble martyrs gone,
Who shed their blood, who gave their lives,
For peace and victory won.

With reverent hearts, our praise ascends
To Him—Our Prince of Peace.
Through Him alone can victory come
And strife and turmoil cease.
We dare not trust the arm of flesh,
On Him alone rely
To bring eternal armistice,
With peace and liberty.

What price of war! How great the cost!
When man gainst man is turned,
In hatred dire, to win a cause
Alas, so dearly earned!
And may He haste that wondrous day
When war no more shall be;
When all mankind shall own His name
And be forever free.

"BOOTLEGGERS"

DURING the recent campaign a small coterie of men and women busied themselves by running headlessly about the county asserting everyone who was not supporting R. R. Byrnes were bootleggers. This reminds this page of the bedbug story John Stewart Mills used to tell, which ran:

"A colony of bedbugs took up their abode in a choice bed chamber of a hotel where the landlord always saw his distinguished guests were quartered. It was an industrious colony of bedbugs, and they took their toll of blood from every guest and got away with it, until one night a different sort of fellow occupied the room. The bugs started in early on him, as usual, in order to get in a full shift, but this guest knew his rights and was going to maintain them. When he found what was going on he got up and with his slippers started warfare on the bloodsuckers. He slayed right and left and the bedbugs scurried to places of safety. When it was clear to the bedbugs they could not feed on that guest, they withdrew to a quiet place and passed a resolution and called their intended victim a bootlegger."

A TERRIFIC TOLL

SINCE 1920 and under prohibition, deaths from alcohol in the United States have increased 300 per cent, according to Dr. Henry J. Hoffman, statistician of the Prudential Life Insurance Company, observes The San Francisco Examiner.

It is particularly unpleasant to read that deaths from alcohol have increased among women especially. And it is surprising to read that in the United States, under prohibition, deaths caused by alcohol are more than 1,000 per cent more numerous than in a majority of the civilized countries. No civilized country has more than 10 per cent of our deaths from that cause.

What is the matter with us?

LET'S GO

PROSPERITY is up for election, running to overthrow depression.

It's for the people to decide which will be chosen. Every man and every woman is privileged to ballot—every day.

Depression has no rightful place with 120,000,000 people, exchanging goods and services—capable—accustomed and willing to work—more highly skilled than other peoples—leaders in efficiency and progressiveness—backed by the vast natural resources of the United States. When we make it possible for the man who works to have a job we make it possible for him to buy food for his family and so help all business, including that of the farmer.

The rest of the world is of small importance compared with that free market of 120,000,000 people—of like tastes, habits and aspirations—living under the same laws—free of trade barriers. Foreign trade may be troubled by tariffs and revolutions, but at their peak our exports represented only five and a half billion of dollars of gross business in a year out of a total American income of $90,000,000,000.

Stagnation of circulation is what's the matter with agriculture and with business. Everyone can help to get that circulation moving again.

Government can't make prosperity—alone. Bankers and other business leaders can't make prosperity—alone. It's the people, united in opinion and purpose and courage, who determine prosperity. They can bring it back—none other.

Ballots that will be validly counted for prosperity are of many kinds. Some one of them every man and woman can cast. For example:

Help a deserving man or woman get a little paying work—or, better, a regular job.

Spend wisely and not too timidly, and anticipate scheduled expenditures as far as is practicable.

Turn the deaf ear to false, mischievous rumors; and don't repeat them, if you do hear them.

Be willing to pay a fair price. Don't take advantage of the other man's necessity. Recognize he has as good claim to a fair profit as you.

When a vampire that fattens on the miseries of others shows up, help to make him unpopular.

Discourage calamity howlers.

Keep business moving evenly, and remember that, to the average man, his job is his particular business. When possible, reassure him against his fear of losing it.

Save, but save wisely, not in fright. Invest for the profit s[illegible] enterprise pays and for the added profit that will come after the hysteria of pessimism has passed.

They contributed $42, which was sent to the petitioner.

Mendocino County Boys Were Winners

A fine showing was made by two Mendocino County 4-H club boys at the recent Junior Livestock and Baby Beef Show held in San Francisco. C. T. Smith, Jr., of Hopland won first on Romney lamb and first on open pen. The success carried with it over $80.00 in premiums. Charlie T. Smith, Jr., and also Gordon Smith sold their lambs for eighteen and fourteen cents per pound respectively. There were six lambs shown by the boys which averaged 110 pounds per lamb. The boys deserve considerable credit as they made a fine showing with their stock. Other boys exhibited hogs and sheep from Willits and Potter Valley and all the stock made a very creditable showing, which speaks well for the efforts of the 4-H club members and their leaders.

MALE CHORUS IS REHEARSING

Big Musical Body Is To Give Minstrel Show In April Next

The Ukiah male chorus met at the grammar school auditorium Monday evening with 110 in attendance for the first of the weekly rehearsals leading up to the production in April of the most spectacular minstrel show performance ever staged here.

Time To Get In.

There is still room for a few more members and anyone desiring to join the organization should see Director Hugh Harvey or any of the directors or members at once. The Ukiah male chorus is a strictly non-profit, non-sectarian organization. There are no dues or assessments and the only requirement of membership is prompt and regular attendance.

The Sole Aim.

This is a remarkable group banded together solely to sing because they love to sing and for the spirit of friendliness and comradeship that is so marked in all of their gatherings.

Directors Had A Dinner.

On Thursday of last week the board of directors met at the Will Davis home on Standley street. Following a delicious dinner provided by Will Davis and Charles Todhunter and capably served by Mrs. Harvey, Mrs. Dutton and Mrs. Davis, the meeting was called to order by Chairman Charles Kasch and plans were formulated for the activities of the coming year.

Plan A Monthly Social.

Adopting the suggestion of Chairman Kasch it was decided to extend the social features. The first meeting of each month will be "Social Evening," and following a short practice a committee of five men and five boys will provide a program and refreshments for the members.

Ever Ready To Serve.

The Ukiah male chorus is always happy to assist in a musical way in any of the activities of the community and there have been few occasions where it has not been represented by either groups or individuals since its organization.

Who Directors Are.

The following comprise the board of directors: Charles Kasch, chairman; Hugh Harvey, director; W. K. Davis, assistant director; Pete Simoncini, secretary; Orval Archer, treasurer; Louis Hofman, Harry Burke, George David, Elmer Purdy, William Davis, Edgar Dutton, Charles Todhunter, Lilburn Gibson, A. G. Ring, Charles Moffitt, William Ford.

HAS A COLD

Mrs. Leland Lawrence has been confined to her home in West Perkins street several days as the result of a heavy cold.

Election day the following powerful testimonial from the pen of Arthus Brisbane appeared in The San Francisco Examiner and very materially helped in getting the big vote the Golden Gate bridge received in the bridge district:

"Men and women of San Francisco will vote today for one of the most important and magnificent improvements ever undertaken by a great city. The proposed Golden Gate bridge will be not only one of the greatest, but one of the most beautiful engineering achievements in the world, another proof of California's hospitable desire to make visitors welcome, and proof of San Francisco's driving power and determination to achieve. The probable cost, $35,000,000, will be a small price to pay for one of the most useful, magnificent and beautiful structures in the world."

Across the Years THE VOICE OF ROMANCE Calls Young Hearts to Happiness

Youth pledges itself to youth, and clothes its dream in bridal array. Inspired by the memory of his own blighted romance, a great singer dispels the shadow which falls across their happiness and guides their destiny to a joyous conclusion. A screen romance of young love and gay comedy, mingled with the poetry of song.

A picture you will cherish for its bubbling humor and tender sentiment, its freshness of theme and richness of melody.

CALPELLA HAD STORE ROBBERY

Thieves Entered Fulwider's And Got $15 And Merchandise

CALPELLA STORE ROBBED

The store of W. Fulwider, at Calpella, was burglarized November 1. About $15 in money and a considerable lot of stock was stolen. The sheriff's office was called and is working on the robbery, the officers inclining to the belief the theft was committed by local people.

(Special Correspondence of The Press)

REDWOOD VALLEY, Nov. 11.—Tuesday, November 11, there will be a meeting of the Farm Bureau. Mrs. P. Fernbach is in charge of the program. T. A. Wood, agricultural engineer for the P. G. & E. Co., of Santa Rosa, will give a talk on safe and unsafe methods of wiring. A representative of the County Farm Bureau will be present and touch on the pear blight menace and a clean-up campaign.

To Tell Of Trip.

Jean and John Kinsler, George Hargreaves and Harley Branson will each give a report on their trip and conferences at the 4-H Club Convention at Davis. There will be also some musical numbers.

Are To Be Hostesses.

The C. S. S. A. will meet Thursday afternoon at the clubhouse. Mrs. H. Gunderson and Mrs. E. Nelson will entertain.

To Meet Friday.

The Sunday school teachers will hold a business meeting at the club house Friday evening, November 7.

George Hargreaves Won.

The pig contest of the 4-H Club has been ended. The contest was close. George Hargreaves was credited with his pig making the greatest gain, which was 168 pounds; Marvin Ford's pig gained 166 pounds and Carey Hargreave's pig reached a gain of 156 pounds. Robert Cunningham, John Banks and Vaughn Savage, contest members, also had creditable pigs.

Visited Ailing Aunt.

Mr. and Mrs. Fred De Carli and Miss Josephine and George motored to Martinez Saturday to visit an aunt of Mr. De Carli who recently fell from her wheel chair and sustained a broken leg. The De Carlis continued their trip to Lodi for a brief visit with another aunt and returned in time to vote.

Mrs. C. Smith returned Monday from an extended visit with friends and relatives in Healdsburg and Berkeley.

Lost On Deal.

Mrs. J. H. Belveal had an unfortunate experience recently when a Santa Rosa man who said he represented Wigley & Son, poultry dealers, called at Mrs. Belveal's home one evening and persuaded her, after considerable hesitancy, to sell 200 of her best hens. Mr. Wigley's representative gave her a personal check for payment in full on a Petaluma bank. Upon depositing the check at the bank she found a few days later it could not be accepted as there were no funds. Legal proceedings have been taken and a warrant has been issued for the man's arrest. If he can be apprehended, he is guilty of a penitentiary offense. It is hoped Mrs. Belveal will be successful in receiving the full amount due her. It behooves one to be always on the alert in business dealings with strangers and not to accept personal checks without certification.

REAL RESULT MEDIUM? SURE

Press Want Ads Work Two Ways In One Instance Recently

A Republican Press classified ad did triple duty last week when R. M. Wray, seeking to sell a cabinet phonograph, not only got quick results and a substantial check for his 25 cent want ad, but also sold his neighbor's and is now looking for one for a belated customer who answered the Wray ad too late to secure the coveted phonograph.

What Took Place.

It all happened when the classified ad, answered immediately, sold the phonograph, and the second customer, driving to the Wray home in a truck to secure the same, wore such a disappointed look when told the article was sold Mrs. Wray went to the home of Mrs. H. E. Davis nearby and succeeded in selling the Davis phonograph, which was an unwanted article after the radio made its appearance.

You Try It.

Maybe you, too, have an unwanted phonograph or victrola that is only in the way. Try a Republican Press classified ad.

REAL ESTATE STARTS MOVING

Three Large Size Deals About Willits Were Reported Lately

Real estate moved in a lively fashion last week at Willits when three sales of considerable magnitude were reported. In the first instance the site of the former milltown of Irmulco, together with 3000 acres of adjoining land, was sold by the Irvine & Muir Company to James L. Roberson, mayor of Willits, for $12,500. The land lies along the Noyo river and Redwood creek and is well adapted to stock raising. Most of the buildings of the old town have been burned but several still stand and will be converted into ranch buildings. In exchange the company takes over the town property of Mr. Roberson, which includes a dwelling and 17 town lots.

Another Large Deal.

The second sale reported by the same company was made to three Los Angeles men and includes 1120 acres west of Willits which was formerly the Melville shingle mill on the headwaters of the Noyo river.

Still Another Transaction.

The third deal in real estate was closed when Mrs. Cora Hearst sold 173 acres southwest of Willits to Mr. and Mrs. Charles Fordice, of Los Angeles, who plan to build a home and reside on the place in about two years when Mr. Fordice will retire from the police force of the southern metropolis.

LOVELY FLOWERS FEATURE CLUB DINNER MEETING

The Ukiah Business and Professional Women's banquet which was held in the Canton room of the Palace Hotel last Thursday evening, was for such a small party, a very brilliant social function. This club provides its own experts in almost any line of work included in the scope of its affairs. Mrs. Ellen A. Hunt, local florist furnished the flowers and, assisted by Mrs. Ruth Mankins, planned and placed the decorations which in point of natural beauty and artistic arrangement were as near perfection as may be. The tables, laid for twenty diners, were set in the form of a hollow square. This inside space was occupied by a tall basket filled with massive long-stemmed Turner chrysanthemums in the charming colors of lavender and white. Streamers of lovender and silver ribbon extended from the handle of the basket to the four corners of the inner square where lighted lavender candles glowed in gleaming silver candlesticks. The tables were further adorned with garlands of smaller chrysanthemums in the same lovely shades. The favors were beautiful corsages of lavender and white chrysanthemums and maiden hair fern tied with lavender and silver ribbon.

On the elaborate menu was listed such seasonal American dishes as roast turkey, cranberry sauce, hot mince pie, and the other usual accompaniments to such a feast.

In the absence of Mrs. Marie Hinton Rea, Mrs. Katherine Foster presided in such a genial manner that she inspired a feeling of comradeship that manifested itself in a spirited and general conversation around the festal board.

The main speaker of the evening being unavoidably absent, an interesting impromptu program was rendered. Mrs. Emmy Walters sang several songs in German while Mrs. Foster kept the company entertained with the amusing stories she told. An especially interesting feature of the program was Miss Florence Bull's realistic descriptions of her experiences and impressions on the occasion of her recent trip to the Hawaiian Islands. The next meeting will be held on the third Thursday of this

Miss Luverne Kistler, of Redwood Valley, was a business visitor in town Friday for a few hours.

C. B. Hiatt, postmaster at Yorkville, and one of the best known citizens of the Anderson Valley section, was a Saturday afternoon caller in Ukiah.

JUVENILE BOOK WEEK IS HERE

(By MARIE HINTON REA)

Children's Book Week will be observed throughout the United States November 16 to 22. The observance should be of particular interest to Parent-Teachers' Associations and parents in general. A famous lecturer, speaking recently before a body of representative club women stated if ever birth control became possible she hoped the government would begin with books. So many books of no literary value but of tremendous import to immature minds, are placed within the reach of childish hands because there is no law governing their uselessness. What is excellent is permanent and purchasers of children's books will do well to bear this in mind. The child is indeed rich in knowledge who knows through books what treasures lie in the ground, the sea, the plants and the blue dome of our earthly habitat. Each writes its history and the author worth while can tell how to come at these enchantments of nature. When the mind rises, through the sublimity of well chosen words, somehow God seems nearer and the heart is content. It is true it requires better art to write now than in the past. There is so much in modern day living to draw children away from the quiet perusal of good books and works of imagination are not to be lightly discarded. A book shower at Christmas, if well chosen by discriminating parents, may well prove a "shower of blessing"—a moral and educational force. Except for the great outdoors nothing gives so much intimate knowledge to children as good books.

HONOR CO-WORKER

Ladies Society of the Presbyterian church held its regular meeting in the Sunday school room last Thursday. The main feature of the affair was a shower, under the direction of Mrs. R. J. Prince, for Mrs. Julia Shinn who is now occupying her new home on Clay street. Among the gifts which this honored member received were a lovely jardiniere, a pair of artistic candlesticks and an attractive mantle clock. R. J. Prince read an original poem which he had composed in compliment to Mrs. Shinn. The pleasant party was concluded with a dainty tea service in the late hour of the afternoon.

TO HOLD BAZAAR

Mrs. Elbert Banks, president of the Ladies Aid of the Christian church, announces that the organization will hold its regular fall bazaar in the church annex all day on Nov. 22. There will be on sale all kinds of cooked food, candy, and a large variety of fancy work.

SENIOR CLASS PLAY

The seniors of the Ukiah high school will present Booth Tarkington's play, "Tweedles," which is a comedy of New England family life. The typically American setting is an antique shop in an old New England farm house. The date of presentation will probably be sometime early in December. Plans for the play are now being promoted and rehearsals have begun. The presentation will be made under the direction of Miss Evelyn Dalton, teacher of dramatics at the high school. The cast of characters is as follows:

Winsora Tweedle .. Dorothy Campbell
Mrs. Albergone ..... Barbara Hilts
Mrs. Castlebury ..... Juanita Yeo
Mrs. Rickett ..... Agnes Wegner
Adam Tweedle ..... Fred Scholl
Philemon Tweedle ..... Marvin Ford
Ambrose Tweedle .... Jack Martensen
Julian Castlebury .... Henry Buckholz
Mr. Castlebury ..... Richard Sherman

TO RAISE FUNDS

The Parent-Teacher Association of the Ukiah grammar school, under the able leadership of Mrs. Harriett E. Plantz, has undertaken several projects in child welfare, chief among which is supplying milk to undernourished children. In order to raise funds for this worthy purpose, Mrs. Gay Withrow, the kindergarten teacher, has undertaken to give an entertainment at the auditorium of the grammar school on Dec. 5. She has divided the school children into a number of sections that will participate in the program in groups. There will be an operetta, a short play, dancing, and other forms of entertainment.

AT BOARD MEETING

Mrs. W. D. L. Held, president of the Mendocino county Federation of Women's Clubs, attended the executive board meeting of the San Francisco District, California Federation of Women's Clubs, held at the Western Women's Club in San Francisco convened at 10 o'clock when club presidents and county chairmen were privileged to listen in. An informal luncheon preceded the afternoon session which opened with a presidents' council. The speaker of the afternoon was Hon. Lewis F. Byington, who addressed the gathering on the significance of Armistice Day.

BAY DISTRICT WEDDING OF MUCH INTEREST

Dr. and Mrs. J. J. Kirwin were in the bay district last week to attend the wedding of Miss Alice Dukes, daughter of Dr. and Mrs. Charles Alfred Dukes of Piedmont and Reimer Rankin Lahann, who resided here while manager of the Ukiah branch of Montgomery Ward & Co. and who is now engaged in business in the bay district.

The wedding took place at eight o'clock Monday evening, November 3 at the home of the parents of the bride in Claremont. About 130 guests witnessed the rituals at which Dr. O. W. S. McCall officiated. The bridal pair and their attendants stood in a large west window alcove of the living room from which a wide view of San Francisco Bay is afforded. Two great standards filled with brown and gold chrysanthemums and blue delphinium were at either side of the window. These, in turn, were flanked by tall colonial candelabra. The bride, who was given in marriage by her father, wore a gown of white satin with fitted waist-line and full skirt. The long bridal veil of tulle was caught by a Russian head dress of rose point lace. Gardenias and lilies of the valley formed the bridal bouquet. Mrs. Charles Stanley Dimm, sister of the bride, was matron of honor. She wore a gown of flesh-colored crepe and carried cyclamen shading from palest pink to deepest rose and combined with blue delphinium in a shower effect.

The two bridesmaids wore gowns of aqua blue shading into green. They carried Talisman roses. A buffet supper was served after the ceremony with members of the bridal party at a table decorated in pink and blue. A cloth of pink satin was topped by one of Italian lace. Tall pink candles were in the candelabra and in the brass sconses about the room. The couple are honeymooning at Carmel. Mrs. Lahann's going-away gown was of modish black and white with which was worn an orchid corsage. Mr. and Mrs. Lahann will be at home to their friends at an apartment in Hilgard Avenue, North Berkeley. Mrs. Lahann is a graduate of the University of California at which she was a member of the Pi Beta Phi sorority. She later studied at the California School of Arts and Crafts and is well known in bay district art circles as a portrait painter. Mr. Lahann is also a graduate of the University of California where he was a member of Kappa Alpha fraternity. He is the son of Mrs. John T. Bell of Oakland.

BAZAAR SATURDAY

At one o'clock Saturday the annual bazaar of the Federated Methodist Women will open its doors in the social hall of the church. This year eight booths will display attractive articles for sale including needlework, aprons, home-cooked food, dressed poultry, and three booths where candy or ice cream and cake may be enjoyed, or sandwiches and coffee and tea. The Epworth League of the church under the sales chairmanship of Mrs. J. H. Hansen and Mrs. F. M. Wilson, will be in charge of these latter booths. The promoters of the bazaar will provide entertainment in the form of a program both afternoon and evening. Mrs. Wesley Ford is president of the organization which is deserving of the support sure to be afforded it Saturday.

WEDS SCHOOL FRIEND

A romance, begun at Willits in grammar school days, ended in wedding bells for Miss Hilda Shusta, of Santa Rosa, and Robert E. Higginson. The wedding took place at San Jose Thursday where the bridegroom is manager of a theatre and where the new home will be established.

WEDDED HERE

Miss Myrtle Watson, of Lower Lake, and Alan N. Colburn, of Lakeport, were wedded in this city recently at the home of Rev. Elbert Holland, who officiated at the service. The bride looked charming in a frock of white silk. She carried an arm bouquet of white chrysanthemums and maidenhair fern. She was attended by her close friend, Miss Ora Carlson, a teacher in the Lower Lake elementary school. The best man was Glenn Colburn, brother of the bridegroom. A home for the bridal pair will be built on the Colburn ranch in Scotts Valley, Lake county.

MONTHLY MEETING

Teachers of the local elementary school held the monthly dinner meeting Tuesday evening of last week at the Rainbow Cafe. Mrs. A. L. Tracy is president of the organization this year. The meetings are social in nature.

PRETTY WEDDING AT WILLITS SUNDAY NOON

From the standpoint of romantic interest and beauty of setting the wedding of Miss Ruth O'Kelley, daughter of Mr. and Mrs. B. A. O'Kelley of Willits, and Paul Clary, Jr., of Eureka, surpassed that of any social affair of the autumn season in Mendocino county. The wedding took place at high noon Sunday at the home of the bride's parents in Willits. Rev. Father Sebastian Brennan officiated in the presence of more than two score of the relatives and close friends of the bridal pair. The vows were exchanged under a wedding bell of white button chrysanthemums made by Mrs. Ellen Hunt, florist of this city, who went north to superintend the decorations for the wedding. The bell was suspended from an arch covered with garlands of autumn foliage and white chrysanthemums flanked by tall floor baskets filled with large white chrysanthemums and trailing asparagus ferns. Before an improvised altar under the arch white satin cushions were placed for the ritual. The bride, who was given into the keeping of her husband by her father, wore a long modish gown of white, satin-back crepe. Her bridal veil was caught with white gardenias and she carried a shower bouquet of baby roses. Miss Gail Clary, sister of the bridegroom, was bridesmaid. She wore an Empire gown of yellow chiffon and carried Ophelia roses. Raymond Clary, of Eureka, was best man for his brother. At the wedding breakfast the table was decorated in white and yellow chrysanthemums and tall yellow candles. Later in the day Mr. and Mrs. Clary departed by motor for Sacramento where they will be guests of Leslie O'Kelley, brother of the bride, for a few days. Mr. and Mrs. Clary will be at home to their friends next month at Eureka where Mr. Clary is chemist for a Redwood Company. The bride is a charming young woman who was graduated from the Willits high school and the Arcata teachers college. She has been engaged in teaching at the Bonita school near Mina. Mr. Clary formerly resided here where he attended school. Later, when the family moved to Eureka he attended the high school of the northern city, where he made an enviable reputation in football. Following graduation he and his brother went to South America with an uncle who was connected with coffee plantations there. Mr. Clary is a grandson of the late Judge Jackson Temple of the Sonoma county superior court.

Attorney G. E. Redwine was in San Francisco several days last week on legal matters.

CLUB ART EXHIBIT

The Saturday Afternoon Club held a household arts exhibit Saturday at the clubhouse which included framed needlework landscapes produced in gay wool; hooked and braided rugs; embroidered linens and weaving. Through the co-operation of Mrs. Bertha Emery and Miss Grace Emery a San Francisco firm exhibited rugs and woolen art novelties. Miss Grace Emery gave a talk on modern needlework. Mrs. Hazel McGarvey is chairman of the art section of the club. Mrs. Lloyd Bittenbender was named music chairman of the meeting and Mrs. G. P. Anderson headed the hospitality committee.

INITIATORY SERVICE

At the regular meeting of the Junior Auxiliary of the Saturday Afternoon Club last week at the club house several new members were initiated after which refreshments were served and dancing enjoyed. The new members are Frances McCowan, Marjorie Harris, Frances Purdy, Odette Valette, Margaret Grothe, Claire Paull, Helen Elliot, Mary Braun, Marcelle Valette, Lila Ottoson.

ALL DAY MEETING

The ladies of the Missionary Society of the Federated Methodist church held an all-day session Thursday in the social hall of the church which included a devotional service, a program both morning and afternoon and a luncheon at mid-day. Mrs. Warren Bonner was in charge of the afternoon program.

LIONS WILL DANCE

The first social event of the season for the Ukiah Lions Club will take the form of a dinner dance to be held on the eve of Thanksgiving day according to plans now in process of formation by the club. It is probable the affair will be held in the Canton room of the Palace hotel where the club meets weekly at luncheon.

HAD DINNER PARTY

Mr. and Mrs. G. M. Miller were recent hosts to celebrate the 19th birthday of their son, McSpadden Miller. The party was held at the Miller home in South School street with several out of town guests in attendance.

TO HOLD MEETING

Friday afternoon at 2:30 o'clock the Ukiah Woman's Christian Temperance Union will meet in regular session at the Federated Methodist church, according to an announcement made by Mrs. R. S. Ryder, president. The program will include reports from the delegates to the Golden Jubilee of the organization held recently at Petaluma.

LOCAL YOUNG FOLK UNITED IN A HOME CEREMONY

At a pretty wedding in which the holiday season was symbolized in decorations, Miss Irma Roach, daughter of Mr. and Mrs. R. E. Roach of this city, became the bride of Alfred Frey, son of Peter Frey, prominent agriculturist of the Ukiah valley Sunday. The vows were exchanged at high noon with Rev. E. H. Benson, of the Episcopal church officiating in the presence of 25 relatives and friends of both families. The Roach home was a bower of woodwardia ferns, chrysanthemums and the brilliantly hued toyon berries which were used in profusion. The table where the wedding breakfast was served was decorated in chrysanthemums and lighted by candles of matching hue. Mr. Roach gave his daughter into the keeping of her husband. The bridal gown was of white silk crepe, modishly fashioned and the bridal bouquet was of baby roses in shower effect. Mr. and Mrs. Frey are honeymooning in southern California. Upon their return they will probably reside in this city. Both young people are very popular with a wide circle of friends here.

LOCAL ATTORNEY SPEAKER

Attorney Keith C. Eversole went to Napa Monday where he was a speaker before the luncheon meeting of the Napa County Bar Association. The local attorney is past president of the Mendocino County Bar Association and is largely responsible for the splendid working plans of the county organization. It is the desire of the Napa body to emulate the Mendocino County Bar Association and Mr. Eversole was called to outline a similar plan for the Napa county legal lights. At the meeting of the State Bar Association at Pasadena recently Mr. Eversole addressed the gathering on the methods on which the local association was progressing.

CHAPTER ELECTS

At the last meeting of Kingsley Chapter, Order of Eastern Star, the following officers were elected: Mrs. Pierce Stipp, worthy matron; Elmer Hopper, worthy patron; Nina Banker, associate matron; Dr. J. Burke is the retiring matron. A report on the recent grand chapter meeting at Oakland was given by Mrs. Stipp after which refreshments were served.

AT CLUB FUNCTION

Mrs. Robert McGarvey won the score favor at the meeting of the Fortnightly Bridge Club Tuesday at the home of Mrs. C. M. Fulkerson. Bridge was followed by a tea service. Mrs. J. C. Trombetta substituted for an absent member.

Mrs. Emma Davis, who was employed here at the Mary Louise Shoppe, has returned to her home in Willits after a visit of several months to her old home at Vancouver, B. C., and will accept a position in the northern city. Mrs. Davis was a member of the Ukiah Business and Professional Women's Club and has many friends here.

DINED AND DANCED

Of the many dinner parties preceding the dance of Lewis White Post of the American Legion last evening at the elementary school the one held in the Canton room of The Palace Hotel by six Legionnaires and their ladies was of particular interest and enjoyment by reason of the beauty of the table appointments and the congenial atmosphere. The table decorations included a beautiful bowl of red carnations and ferns placed in the center of the table and flanked by gilded airplanes. The place cards were Red Cross nurses in full uniform, both the airplanes and the place cards were the artistic wrok of Mrs. Leonard Michelson. Those who shared in the enjoyment of the several course dinner and the ensuing dance were Mr. and Mrs. A. G. Ring, Mr. and Mrs. Don Ward, of Hopland, Mr. and Mrs. W. A. Thornton, Mr. and Mrs. Leonard Lawson, Mr. and Mrs. Leonard Michelson, Mrs. Ardis Roberts and Peter Simoncini.

L. E. SKELLEY IS NAMED PATRON

Covelo Resident Honored By Selection In O. E. S.

(Special Correspondence of The Press)

COVELO, Nov. 11.—A treat is in store for the citizens of Round Valley for Friday evening of this week, November 14. To arouse interest in the work of the night school Principal L. E. Skelley has secured as a speaker for the opening date Dr. T. W. MacQuarrie, president of San Jose State College, a speaker of unusual force and vigor, whose ideas on education appeal to the broad human sympathies. A "tradition-breaking administration" is the way his work is described by the writer from whom we quoted last week in telling of the establishment of the first complete college course in police work in the world, now being carried on at San Jose by Prof. George H. Brereton, who graduated from the Round Valley high school about 12 years ago. Dr. MacQuarrie it was who selected a Covelo boy to carry out this new idea in practical education. Those of our teachers who have heard Dr. MacQuarrie speak are warm in their praise. It is earnestly hoped local people will fill the auditorium to capacity to enjoy this unusual treat. The school band will be out to add interest to the occasion. There will be no charge.

Red Cross Worker Coming.

Miss Mary Jones, national Red Cross field representative, will meet with the local organization Friday evening, November 21, in the lobby of Hotel Covelo, for the annual roll call. Miss Jones will come prepared to tell us in detail just what sort of work may be done in our home community by our local chapter with the funds which have been on hand for a number of years since the war. Covelo responded nobly to the Red Cross summons in time of war; she would now like to make use of the funds then raised for emergencies, in any legitimate way to meet local needs. Unless our organization is maintained here this money will have to be turned into the treasury of the national organization. Some 16 citizens have signed up for the present year. It is hoped a much larger representative gathering may meet Miss Jones Friday evening.

Getting New Stock.

C. H. Lovell's new shop is rapidly approaching completion. All was under roofing before the rain of Saturday morning. He is installing a fine lot of new power machinery, which includes a power hammer, a thread cutter, a hack saw and a planing mill or jointer for smoothing up and fitting rough lumber. The community will greatly appreciate these conveniences.

J. B. Firebaugh Dead.

With the passing of James B. Firebaugh at the home of his son, Chas. B. Firebaugh, Sunday, October 26, Covelo loses an honored and esteemed citizen who went down to his grave rich in years. Mr. Firebaugh was born near Cedar Grove Mills, Virginia, January 18, 1845. As a boy in his teens he served in the Confederate army through the entire Civil War, being a member of the Rockbridge Cavalry, 14th Regiment, Company H, under General McCausland. For one year of this time he was a military prisoner confined at Camp Chase in Ohio. After the close of the war he came to California to make his home, where in 1871 he was married to Miss Sarah Carden. His beloved wife preceded him a few years ago to the grave. Three children survive them, James W., of Craig, Colorado; Mrs. Eleanor Mulvahill, of Newbridge, Oregon, and Charles E., of Covelo. One sister also survives from a large family group, Mrs. Virginia Bear, of Burbank, California. While still a young man in his native state Mr. Firebaugh became a member of the Presbyterian church.

Buried Monday Last.

Services were held in his honor Monday afternoon at the Baptist church, Pastor Moore officiating. Kindly neighbors assisting in the last rites included the pall bearers, J. G. Short, B. L. Hurt, S. W. Walter, E. H. Long, E. M. Durnford and G. H. Ells and the choir, Mrs. E. H. Long, Mrs. W. H. Ham, S. F. Gray and W. A. Gray, with Mrs. G. R. Redwine at the piano. Floral offerings adorned the church and the beautiful grey casket. The body was laid to rest in the Masonic cemetery on the slope of our western hills.

Suit Not Decided.

Justice G. R. Redwine still has under advisement the civil suit of Baechtel Brothers, of Willits, vs. M. C. Hurt, of Covelo, to determine the ownership of a tractor purchased by the latter from Tony Mendoza, who has been operating the Baechtel ranch. The law permits the judge 30 days in which to render his decision. Baechtel Brothers were represented by Attorney Taft, of Willits; Hale McCowen, Jr., of Ukiah, supported the defense.

Has A Roadster.

Jack Kelley acquired last week through Vann Brothers a handsome Ford sport roadster, de luxe edition, which drew many an admiring comment while on exhibition in front of the oil station on Commercial avenue.

Dorcas Aid Met.

Mrs. May Williamson, assisted by Mrs. Shields and Mrs. Caleb Brush, acted as hostess to the Dorcas Aid Society Friday afternoon of last week on the occasion of the regular mission study meeting. After the formal opening with hymn and prayer President Merry O'Ferrall told of having received a letter from Mrs. Barton telling of her appointment to the chairmanship of missionary work for this district. A mission study class to meet a half hour before church each Sunday evening, under the leadership of Mr. Coke, was discussed. Then followed a duet by Mrs. Rohrbough and Mrs. Johnson, after which Mr. Coke reviewed the chapter in the text of Rellegious Achievements in India. Mrs. Coke told of life in Alaska. Formal closing was followed by a social hour around the delicious sandwiches, pumpkin pie and tea served by the ladies in charge. The offering was $3.78 from the 17 members present. The next missionary meeting will be held on the first Friday in December, the place to be arranged for. The next meeting of the Dorcas Aid will be held at the home of its president, Mrs. J. S. Rohrbough, Friday, November 14.

Improvement Club Meeting.

The next meeting of the Covelo Women's Improvement Club will occur Saturday afternoon of this week. The program will be in charge of the literary committee, Mrs. Eva Dunlap chairman. Twenty members have already enrolled with Mrs. Wren for work in the choral section. A meeting of this section will be held November 22, at a place to be designated.

O. E. S. Election.

Officers were elected by Augusta Chapter 80, O. E. S., at the last meeting as follows: Worthy Matron, Esther Duncan; Worthy Patron, L. E. Skelley; Associate Matron, May Yates; Associate Patron, John D. Rohrbough; Conductress, Clara White; Associate Conductress, Emma Rice; Secretary, Nellie Ham; Treasurer, Winnie Hurt. Installation is set for the next regular meeting, November 20. Each member will be privileged to invite two guests for the evening. Mrs. G. W. Goforth will act as installing officer. Committees to arrange for the welfare of the guests are Mrs. Lovett, Mrs. Winnie Hurt, Mrs. Ham and Mrs. Bellatti on the refreshment committee, and Mrs. Fitzhugh, Mrs. Woolley and F. E. Woolley on the decorating committee.

Made A Report.

Worthy Matron Beatrice Goforth gave a delightful report of the sessions of the Grand Chapter which she and Mrs. Ham attended in Oakland last week. The retiring decorating committee presented the chapter with a set of altar cushions in the emblematic colors, and also with a mirror and towels for the dressing room.

Invited To Banquet.

F. E. Woolley extended to the chapter an invitation from the Masonic fraternity to attend a banquet to be given by them to the chapter Saturday evening, November 15, in the lodge room.

Shovel Shipped In.

The last load of the Colley steam shovel arrived early in the week. It is being assembled at a point east of the Philo Robbins place, preparatory to removing the most dangerous points from the road between that point and Kelley Canyon. Active operations will begin at once.

D. M. Grant, of the Bank of America of Ukiah, made a business visit to Covelo during the week. Mrs. Grant accompanied him.

W. D. Rhoads is fast completing a shop on his lot on Commercial avenue. He will re-establish his harness shop and shoe repairing trade.

W. H. Ham has rented the upper story of the E. A. Gravier building for residential purposes. He will move in from Ham's Camp shortly.

T. J. Lowry is in Ferndale this week securing his winter's supply of apples.

WIDOW NAMED AS BENEFICIARY

Chas. F. Van Damme's Wealth Distributed To Charities

Naming the widow, Mrs. Alice A. Van Damme, as the principal beneficiary, the will of Charles F. Van Damme, San Francisco and Mendocino county lumber man, who died September 25, was filed for probate in Santa Rosa Friday. Attorneys estimated the estate at $750,000. Friends, relatives and charities will benefit substantially. A bequest of $30,000 each was made to Josephine A. Van Damme of Fort Bragg and Theodore B. Van Damme of Burlingame, sister and brother of the lumber man. Mrs. Cora Van Damme, a sister-in-law, was given $10,000.

No Lines Drawn

Mr. Van Damme drew no sectarian lines in his gifts to charities, Catholic, Protestant and Jewish sharing equally. To the Catholic Orphanage at Bay View and Newhall streets, San Francisco; the San Francisco Presbyterian Orphanage and Farm at San Anselmo; the Protestant Orphanage Society, San Francisco, and the Pacific Hebrew Orphanage he gave $5000 each. The homeless children's committee of the Native Sons and Native Daughters and the Society for the Prevention of Cruelty to Animals were each bequeathed $5000.

Gave Park to State

A large tract of beautiful redwoods on Little river, Mendocino county, was granted to the State for park purposes.

Bequests to Friends

The bequests to friends ranged from $10,0000 to $2000 and included a $2500 gift to Rev. George Phillips, pastor of the Tenth Avenue Church of Oakland, and a like sum to the church congregation. Mrs. Van Damme is named executrix, with Harold T. Gill and Henry A. Jacobs of San Francisco as executors.

DISTRIBUTION OF PLATES ON

1931 Automobile Licenses Should Be Applied For Now

Renewal of registration and the issuance of 1931 license plates for automobiles will begin Monday, December 15, and continue to midnight of January 15, according to announcement made by the California State Automobile Association last week.

Two Million Cars.

During that period more than 2,000,000 motor car owners in California will be required to register their cars for the coming year and obtain new plates.

Color Of Plates.

The color scheme of the 1931 plates will be orange lettering on a black background, simply reversing the colors of 1930. The dashes between letters and numerals will be eliminated but the size and shape will remain the same. Motorists whose white slip certificates have been mutilated or lost are advised to apply immediately for a new certificate in order to avoid delay and inconvenience in obtaining new plates.

Attorney W. P. Thomas was called to the city on legal matters last week, returning home Saturday.

BRIDGE VOTES COUNTED

(Continued From Page One)

were made by the Hyde street-Sausalito and the San Francisco-Oakland pier lines. Traffic on the former line jumped nearly 9 per cent and the latter almost 10 per cent. The Hyde street-Berkeley line also developed a substantial increase.

No Delay Seen.

Earlier in the week President Wm. P. Filmer, of the Board of Directors of the Golden Gate Bridge and Highway District, stated that at the meeting today steps will be taken for issuance of the bonds and calling for bids.

High Pressure Plans.

"It is our intention to work under high pressure from now on in order that the actual construction may get under way as quickly as possible. In view of the present labor situation, we feel there is urgent need for immediate action—that it is an obligation put upon the directorate by the voters."

Will Sell Bonds Readily.

President Filmer said plans and specifications for the bridge are in readiness and no difficulty is anticipated in marketing the bonds, scores of inquiries already having been received regarding them. "As president of the board," said Mr. Filmer, "I want at this time to express my appreciation of the confidence manifested in us by the voters; this, despite the too obvious attempts of the opposition to discredit not only the bridge project, but those behind it.

Pledge Is Repeated.

"The directors repeat the pledge given taxpayers that, should the bids exceed the present estimates of the bridge engineers, no bonds will be sold and the entire matter will be referred back to the voters for a decision as to whether they want to go ahead with the bridge. This, however, is a remote possibility, for I have no doubt at all the engineers' estimates are correct."

Procedure Described.

Regarding the procedure to be followed in the sale of bonds for the bridge, Geo. H. Harlan attorney for the Golden Gate Bridge and Highway District, said: "Bonds for the bridge will undoubtedly be sold only as the money is needed. The first block of bonds to be sold will be in accordance with the contracts let at the time they are sold; that is, no more bonds will be sold than are necessary to pay for the installments due on the contracts already out, or those that can reasonably be expected within the following six months.

Go To Highest Bidder.

"The bidder who offers the highest premium will be awarded the particular block of bonds advertised for sale. Advertisements will be inserted in a San Francisco paper and also in a New York financial paper.

Speed Is Promised.

The money received from the sale of bonds will be deposited in bridge district banks, where it will draw interest until it has been exhausted. When this occurs, another block of bonds will be offered and the procedure repeated."

Helps Two Causes.

Joseph B. Strauss, chief engineer of the bridge and highway district, also pledged himself to an early start on the Golden Gate span. "We shall lose no time in getting the work under way," Engineer Strauss said. "In doing this we will be fulfilling two obligations; one will be the relief of unemployment and the other meeting the urgent need of the bridge for traffic between the areas it connects."

Golden Gate Bridge.

Virtually complete returns on the 6-county vote ordering issuance of $35,000,000 bonds to build the Golden Gate bridge, showed 144,881 for the bonds and 46,560 against them, leaving a generous margin above the two-thirds required by law.

J. C. Penney, founder and chairman-of-the-board of the J. C. Penney Co. expressed these views yesterday in a talk to business men on the subject "Our Changing Economic Structure."

Better Times Coming

He predicted that the close of the year will reveal a money volume of sales not far below last year and that in some instances the figures will exceed those of last year. Continuing, Mr. Penney said: "Twenty years ago this was a country of somewhat isolated localities. Except for the distribution of such crops as cotton, small grains and beef we had few large organizations doing a national and international business. Mass production, as we now view it, was not yet started. "Today, so far as our economic life is concerned, we are a compact unit. This has been brought about by many conditions, among the more important of which are improved selling methods, large national advertising campaigns, enlarged and accelerated facilities for shipping and the changes in social intercourse which have been brought about by the automobile, faster and more plentiful trains, the radio and the widening of the national vision as it relates to general interest in national affairs. "My own contact with the economic structure of the country has been entirely along the lines of retail merchandising, in which I have been actively engaged for the past twenty-eight years. In this period, in which the most sweeping changes have occurred in our economic structure, I have been confronted with the same problems which are confronting all of us today and which we have faced in increasing measure during the past several years.

Fear Is Unfounded.

"Only a few months past I traveled through the South and the Southwest visiting merchants, newspaper publishers and others in many cities and towns ranging in size from 20,000 to 300,000. I was surprised and pleased with the spirit of business optimism which I found in nearly every place I visited."

THANKS VOTERS

I am deeply grateful to all who supported my candidacy in the recent election and my hope now is that my course in office may merit the full approval of the public.

In a ruling handed down last week Judge H. L. Mr. Sagehorn was represented by Attorney Keith C. Eversole, of this city, and Attorney D. T. Bennitt, of this city and Willits. Often persons taking up government claims are under the impression the government insures them passage over adjoining lands in order to reach their claims and the ruling of Judge Preston last week will be learned with interest.

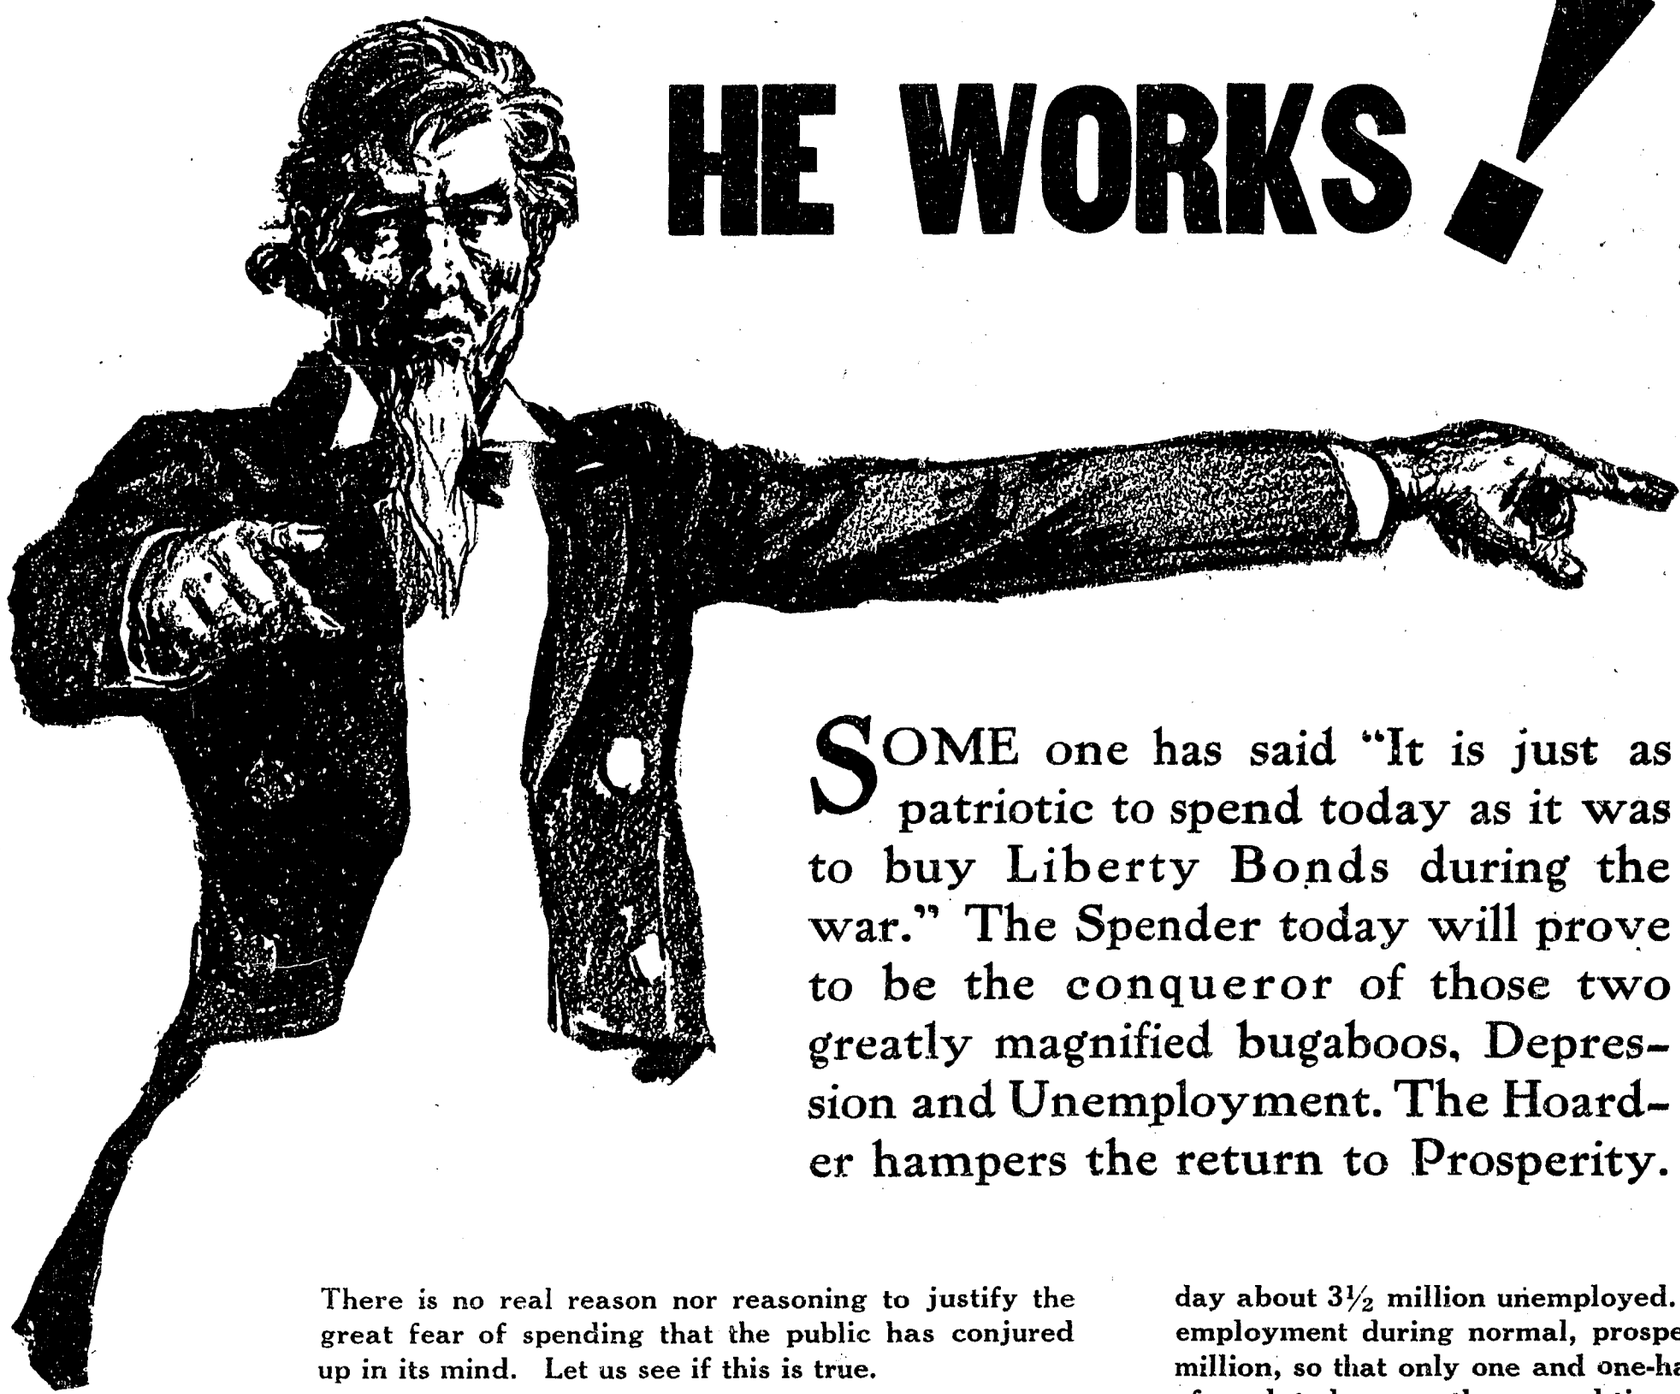
YOU BUY — HE WORKS!



SOME one has said "It is just as patriotic to spend today as it was to buy Liberty Bonds during the war." The Spender today will prove to be the conqueror of those two greatly magnified bugaboos, Depression and Unemployment. The Hoarder hampers the return to Prosperity.

There is no real reason nor reasoning to justify the great fear of spending that the public has conjured up in its mind. Let us see if this is true.

Depression is due to lack of business. When the public stops buying, demand ceases and when demand ceases production halts and when production halts unemployment remains stagnant. So depression is a direct and definite result of lack of spending.

The public has the means to buy for only a small percentage are actually unemployed. Let us see if this is true. Of America's 120 million population there are approximately 100 million able to work. There is today about 3½ million unemployed. The average unemployment during normal, prosperous times is two million, so that only one and one-half million are out of work today over the normal times or about one and one-half per cent of the working population.

The rest of the people can buy if they will. They have he means, the need, the desire if they will only banish fear. Spend and you create demand . . . create demand and you start production . . . start production and you diminish unemployment. Money in circulation is the only solution to national and individual Prosperity.

BET ON LOSER—MUST PAY DEBT

Southcoast Game Warden Will Wheel Winner Up A Hill

(Special Correspondence of The Press)

POINT ARENA, Nov. 11.—Mrs. Merle Pugh (Elma Hendrickson) passed away at San Rafael October 29 after a lingering illness and was laid to rest in I. O. O. F. cemetery Sunday. Elma was a girl with a sunny disposition, a smile for everybody, and she was loved by all who knew her.

Caught Big Salmon.

Ben Scott was in this vicinity the early part of the week enjoying a few days' fishing. We will say in this connection the largest fish of the season was caught by Mrs. Kane from the lighthouse, a Chinook weighing 27 pounds. Come on, you men, and beat the lady if you can.

Mrs. Henry Hitchcock has moved into the Bowles cottage.

Cliff Bishop was in town Sunday and Monday from Fort Bragg.

Clerk Was Frivolous.

County Clerk Harry M. Burke was in Point Arena Saturday and in the evening took in the dance in Druids' Hall. This was a masquerade and a large crowd was in attendance.

Attended Funeral.

Ed and Harold Zimmerman and Mrs. Zella Dennen were here from Ukiah last Sunday attending the funeral of Mrs. Pugh.

To Reside Here.

Sunday Charles Cordoza drove to Cloverdale to meet his wife who will remain here, making her home on the A. B. Kendall ranch which Mr. Cordoza has leased. We welcome these young people to our community.

To Leave Coast.

At the same time we register regret at the moving away of Austin Lowe and wife who are leaving for Ukiah after living for a number of years on the Wm. Walsh ranch at Bridgeport. This ranch has recently been acquired by Chas. Galletti.

Mr. and Mrs. Leroy Woodhead returned early in the week from a visit to Sacramento.

Dogs Kill Sheep.

Wes Richard was in Point Arena Sunday from Signal looking after some sheep he has on the company ranch here. Dogs have been running these sheep lately and have killed some. Too bad folks will persist in letting dogs run at large day and night.

Alfred Bishop has moved into the Newt Howe cottage on School street.

Improving Wharf.

Manager Fred Warren has had a crew of men at work driving piling at the wharf and otherwise putting things in shape to withstand the storms of winter.

Came To Vote.

Sam Ainslie was in from his stamping ground on Signal Ridge Tuesday to cast his vote. Sam is a conscientious voter but we believe he is glad for any excuse to come to town and say hello to his old friends and tell a few new stories he has heard. This trip he brought Dr. Biddle in with him. Doc has not been in Point Arena for a number of years.

Lost His Bet.

Game Warden Mitchell and Alfred Bishop had a wheelbarrow ride bet on the sheriff race at Tuesday's election the result being Mitchell will be at the business end of the wheelbarrow while Alf will be at the wheel. We are waiting patiently for the payment of this wager as the course will be from Les McCallum's place up the town hill to Frank O'Brien's residence and will have to be a non-stop trip. Losing this wager naturally peeved "Mitch" and in order to get even on someone he oozed out to the river Thursday night where Ainer and Dahl and Lando Franci were engaged in the sport of salmon spearing. They had each gotten their limit and were coming back up the river when they encountered a school of Chinook salmon and one of the boys could not resist picking up a couple which would have been OK only for the fact "Mitch" was waiting for them at the car and it was just too bad. All it cost the boys was $25, which is a very reasonable price for two fish.

Mother Passed Away.

Mrs. Grant the aged mother of Harry Grant, of Guahala, passed away last Monday and was buried Wednesday.

Dr. A. C. Huntley and wife came over Tuesday from Winters to vote and returned next day.

He Met Grief.

Sunday evening the Drews, Ornbauns, Pennocks and Woodheads attended a barbecue at Greenwood, given by Mrs. Dutton. The pit had been made across the mouth of Ellis creek and the crossing had to be made on two rafts, one of which was not seaworthy, and while attempting to make the crossing on the raft with the poor reputation Roy Woodhead was bucked off in about two feet of water, where he sat with just his head and shoulders exposed, looking most bewildered. Needless to say, the rest of the party enjoyed the spectacle greatly. Barbecued lamb was served and was pronounced perfect.

Enjoyed Whist Play.

Five tables were in play at the regular monthly whist party of the Civic Club Thursday night. Mrs. Wm. Smith had high score while Mrs. Funk was low for ladies and Ralph Bayley and Dan Jensen were high and low for gents.

At Dairy Show.

Professor Drew, the agricultural instructor at the high school, left yesterday for Oakland with eight agricultural pupils who will attend the Pacific Slope Dairy Show and compete in the judging of dairy cattle.

Ed Jakway and wife, of Vallejo, spent last week-end with his home folks and enjoyed the fishing in the Garcia.

Chief Patton, of the Life Saving Station, has been passing a week's leave in San Francisco.

LAST MINUTE FIGHT STRONG

Sheriff's Office Contest Was Heated In Anderson Valley

(Special Correspondence of The Press)

BOONVILLE, Nov. 11.—Word was received here Friday of the death of Mrs. Amanda Holmberg, of Philo, at the home of her daughter, Mrs. W. Bryants in Fort Bragg. Mrs. Holmberg had not been well for years but nevertheless her death was rather unexpected, as the last word received from her a few days ago was encouraging. On receipt of the sad news her three daughters, Mrs. Henry deRosler, Mrs. F. B. Cook and Mrs. Martin Shivers, all residents of the valley, left immediately for Fort Bragg.

Mrs. Wallach Better.

Mrs. C. M. Wallach was recently confined to her bed several days with a severe case of tonsilitis, but is now improving.

Lady Brought Returns.

Miss Evelyn June has been absent from high school most of this week, due to an attack of influenza.

Class Was On Coast.

Date Is Different.

The Ladies Missolnary Society has changed the meeting day from Thursday to Wednesday of each week. The society is working on quilts at present and anyone interested is invited to drop in and lend a hand.

Were Minister's Guests.

Rev. and Mrs. D. T. Reed were hosts Tuesday evening to officers and teachers of the Sunday school at a delicious turkey dinner, prepared and served by Mrs. Reed. Their guests included Mrs. H. V. Nichols, Miss Violet Nelson, Miss Linnea Nelson, Mrs. Henry deRosler, Mrs. Wm. Reilly, Miss Edith Field, Pomeroy Field and Alden Reilly.

Patient Is Recovering.

We are glad to report that Albert Cureton, who suffered a badly fractured skull and other injuries when he was run down by an automobile near Stockton recently, is making a satisfactory recovery.

Made Strong Stand.

All interest in the recent election here centered around the office of sheriff and the local constable fight between Constable J. M. Ginochio and D. Y. Presley. In the primary Mr. Presley had almost as many votes as his two opponents together and it was expected he would lead by a substantial margin. The sheriff's fight was bitterly waged by both sides and several men and women were very busy the last few days in a final effort to line up every available vote for their favorite. A huge bonfire and Byrnes supper staged by his supporters Tuesday night drew a large crowd.

HAD NICE EXHIBIT

Mrs. Ellen Hunt, of the Cecile Flower Shop of this city, exhibited some beautiful chryanthemums at the Lakeport Flower Show Saturday. The "mums" were raised at the Hunt place near Orr's Hot Springs and for beauty of coloring and size could not be excelled anywhere in California.

BABIES DIED

The second of the twin babies born here last week to Mr. and Mrs. James Mannon, passed away a short time after the death of the first infant. Interment took place here Thursday. The condition of the young mother is said to be satisfactory.

No Vandalism This Year.

Less mischief was done here Hallowe'en night than probably ever before. Early in the evening the high school students enjoyed several hours of games and dancing and some homes kept open house to the young people. Later on in the evening joy-riding made things noisy for a while, but no pranks were played that would annoy or damage anyone. A few gates were lifted but not carried far. Business houses, which have suffered in the past from tricks played by Hallowe'eners, appreciate very much the fine behavior of the young people this year and all hope they had a pleasant evening.

R. V. Lawson and E. F. Jewett, of Fort Bragg, were week-end visitors in Anderson Valley.

Visitors Call On Birthday.

A number of friends and neighbors dropped in on Mrs. R. T. Hutsell the evening of October 31 to help her celebrate her birthday. It was a suprise party as not even a hint had reached her. A pleasant evening was enjoyed.

Young Lady Entertained.

Miss Madge Johnson entertained at a real Hallowe'en party Saturday evening and a large number of fellow students from the high schol enjoyed her hospitality.

Mrs. Thomas Rawles, of Ukiah, but for many years a resident of this valley, is enjoying an extended visit here with many of her old friends. She has been a guest of Mrs. A. N. Rawles, Mrs. J. L. Estes and Mrs. Mary McGinsey. Mrs. M. Beck, of Redwood City, is a guest at the C. A. Tarwater home. Mrs. Beck is an old friend of Mrs. Tarwater.

Mrs. D. Cable accompanied her daughter, Mrs. D. Derry, who was called here by the death of her father, to Los Angeles for an extended visit.

On Field Work Trip.

Prof. B. M. Estes and a group of biology students, motored to the coast Monday after school to secure specimens for class work. They were also accompanied by Mrs. C. E. Price, who took some of the students in her car.

Is Getting Well.

Young Folks Party.

Mrs. Percy Mims entertained a number of young folks at a Hallow-
